Advisor's Notes/Recommendations:

- In order to improve student success probability and reduce unnecessary attrition, all students must take the University Skills Placement Test prior to entering the program.

Program Requirements:

- High school diploma or GED certificate
- Ability to do college level English, math, and reading as demonstrated by the following:
 - Successful completion of a college level English course (English requirement);
 - Successful completion of a college level math course (Math requirement); and
 - Successful completion of 30 credit hours at a college level (Reading requirement)
 OR
 - Required university scores on the ACT
 - OR
 - Successful completion of the University Skills Placement Test and appropriate developmental courses.
- Successful completion of BIOL 109 Survey of Anatomy and Physiology for Allied Health (Pre or Co-requisites)
- Successful completion of EMS 202, Introduction to Paramedic (Pre or Co-requisites)
- Successful completion of EMS 203, Pathophysiology (Pre or Co-requisites)
- Completion of Paramedic program application
- Notarized copy of NM EMT Intermediate license
- An interview with the Paramedic Admission Committee
- Successful completion of EMT skills practical test and EMT written pretest
- Completion of health guidelines required by clinical agencies
- Possession and maintenance of AHA BLS Healthcare Provider certification for the duration of the program.
- Mandatory drug and criminal background checks are required for all EMT-Paramedic students prior to entering the clinical areas. This will be scheduled by the EMS faculty. Students should contact their instructor for details. Students must pass the mandatory drug screening and not have significant criminal offenses to remain in the program. Drug screening may be repeated based on requirements of clinical site contacts. Students must pass the mandatory drug screening and any mandatory screening to remain in the program. Appeals can be made according to the process outlined in the Student Handbook. Students exhibiting signs of impaired clinical judgment related to suspected use of chemical substances, legal or otherwise, will be removed from the classroom, laboratory, or clinical setting immediately. At that time, the instructor will implement steps according to the Division of Health Policy for Student Suspected Impairment. Appeals can be made according to the process outlined in the Student Handbook.

Please refer to current catalog for detailed degree plan information.

	Grade	Sem.	Grade	Sem.	Grade	Sem.
Writeplacer	ENG 093		ENG 096		ENG 098L	
Math	--	--	MATH 094/095		MATH 097/098	

Note * Prerequisite/s required: See list below

Course Requirements for Advanced Placement			Credit Hours	Grade	Semester
EMS	254	Paramedic Transition	6 hrs.		
EMS	255	Paramedic Transition Practicum	6 hrs.		
EMS	256	Paramedic Transition Clinical/Field Practicum	6 hrs.		
			18 hrs.		

Note: * Required prerequisite(s) or Co-requisites course(s), see below

* BIOL	109	Fundamentals of Anatomy and physiology	3 hrs		
* EMS	202	Introduction to Pre-Hospital Care	3 hrs.		
* EMS	203	Pathophysiology	3 hrs		
EMS	204	Pre-Hospital Respiratory Airway Management	1 hr.		
EMS	204L	Pre-Hospital Respiratory Airway Management Lab	1 hr.		
EMS	208	Pre-Hospital Pharmacology	2 hrs.		
EMS	208L	Pre-Hospital Pharmacology Lab	1 hr.		
EMS	205	Patient Assessment	2 hrs.		
EMS	205L	Patient Assessment Lab	1 hr.		
EMS	214	Pre-Hospital Medical Life Support I	5 hrs.		
EMS	214L	Pre-Hospital Medical Life Support I Lab	1 hr.		
EMS	210	EMS Colloquium I	1 hr.		
EMS	211L	Clinical Practicum I	3 hrs.		
EMS	212L	Vehicular Practicum I	1 hr.		
EMS	222	EMS Operations	2 hrs.		
EMS	222L	EMS Operations Lab	1 hr.		
EMS	206	Paramedic Trauma Life Support	2 hrs.		
EMS	206L	Paramedic Trauma Life Support Lab	1 hr.		
EMS	224	Pre-Hospital Medical Life Support II	5 hrs.		
EMS	224L	Pre-Hospital Medical Life Support II Lab	1 hr.
