Advisor's Notes/Recommendations:

- The A.S. Degree in Nursing transfers into a Bachelor of Science in Nursing (BSN) Degree program at ENMU.
- In order to improve student success probability and reduce unnecessary attrition, all students must take the University Skills Placement Test and any required pre-requisite course work prior to entering the program.
- All lectures and corresponding labs must be taken simultaneously.
- Student must have an **ENMU Campus System** cumulative grade point average of 2.0 in order to meet graduation requirements.
- Submit a Graduation Application before the close of the semester preceding the expected completion date.
- Declaration of nursing major does not guarantee entrance to the nursing program. Application process is required.

Program Requirements:

- **NEEDS TO TAKE EMS 101 BEFORE APPLYING FOR PROGRAM OR HAVE CURRENT BLS CARD THROUGH AHA.**
- All applicants must achieve a minimum of 57% as an individual total score in all areas to include Reading, Math, Science, and English and Language of the TEAS (Test of Essential Academic Skills) prior to being accepted into the Nursing Program. Applicants are allowed two attempts to achieve the score per entry cycle.
- **MANDATORY DRUG SCREENING** is required during the first week of the program after the semester begins and will be scheduled by the Health Education unit faculty/staff. **Students must pass the mandatory drug screening to remain in the program.** Students exhibiting signs of impaired clinical judgment related to suspected use of chemical substance, legal or otherwise, will be removed from the classroom, laboratory, or clinical setting immediately. Appeals can be made according to the process outlined in the Student Handbook.
- **MANDATORY** background checks are required for all students accepted for entry into nursing courses. The background checks will be scheduled during the first week of the program after the semester begins and scheduled by the Health Education unit faculty/staff.
- A grade of "C" or better in all courses listed in the degree plan.
- A failed or attempted nursing course must be repeated during the next semester the course is offered and space available.
- **Students must have successfully completed a Nursing assisting program or Certified Medical Assisting program. Nursing assisting program courses NA 111/111L are offered fall, spring, and summer semesters. Nursing assisting certification is no longer required, only proof of completion.**
