

## Felony Conviction Detail

ENMU-Roswell is an open admissions community college; however, we reserve the right to deny admissions to any student determined to be a threat to themselves or others. You're being asked to complete this form because you self-disclosed that you have been charged with, convicted of or pled guilty to a felony offense in any court, including deferred adjudication. A charge or conviction of a felony crime is not grounds for automatic denial of admission but each case will be reviewed individually. You are under a continuing obligation to immediately update your response to this question if your circumstances change after you submit an admissions application. If you do not provide enough detailed information, a background check will be requested from the University Security Office.
