

Nursing - Associate of Science

Program Entry Requirements:

- Declaration of Nursing major does not guarantee entrance to the nursing program. Application process and acceptance is required.
- Completed application prior to the deadline. Application information can be found online on the [ENMU-Roswell Nursing Webpage](#).
- Minimum Pre-Requisite GPA of 2.75 (Calculated using only pre-requisite courses)
- Minimum Cumulative GPA of 2.0 (Calculated using all courses)
- A grade of "C" or better is required for all courses listed on the degree plan.
- Minimum total/composite score of 58.7% on the TEAS Exam. Students are allowed two attempts per application cycle; TEAS results will be accepted for one year. Recommend that students take the TEAS exam after all of the following courses have been completed (ENGL 1110, ENGL 1120, MATH, all required BIOL courses). Students may find more information or register at <https://www.atitesting.com/teas/register>
- All pre-requisite courses must be completed.
- Students must have successfully completed a nursing assisting program, certified medical assisting program, EMT-Basic, AEMT, or Paramedic program, or have current certification with the Nurse Aide Registry.
- Current Basic Life Support (BLS) certification through the American Heart Association. (Red Cross certification is not accepted).
