You indicated on your Free Application for Federal Student Aid that you did not file a 2024 federal tax return. Federal regulations require our office to verify this information.

By completing this form, you certify that you did not file and are not required to file a 2024 federal tax return. Check the boxes that applies to you.

- Student spouse did not file a 2024 federal tax return because;
I was not employed and did not have any income earned from work in 2024.
I had too little taxable income to be required to file a tax return.
I cannot provide W-2 forms for 2024 for wages earned because

Note: Employers are required to provide W-2 forms for employees; therefore, if you were an employee even part of 2024, you must attach a copy of all of your 2024 W-2's.

Table with 4 columns: Student Spouse, Student Spouse Employers, 2024 Amount Earned, My W-2 is included
