**IF YOU ARE CONSIDERING THE NURSING PROGRAM (ASSOCIATE DEGREE)
CAREFULLY READ THE FOLLOWING INFORMATION:**

1. Read the ENMU-Roswell Catalog. Students enter or reenter the Nursing Core Courses under the Catalog in effect at the time of entry or re-entry to the program.
2. Contact an advisor in either the Nursing Program or Student Services.
3. Submit applications to the University (if necessary) and to the Nursing Program. Applications are valid for a limited time. It is the student's responsibility to make sure all applications are current at the time of the selection process. New applications to the Nursing Program are required for each cohort.
4. It is the student's responsibility to have official high school transcripts (or GED Certificate), all college transcripts and/or all prior nursing education transcripts in the Admissions Office by the required date. Transfer credit is awarded only by the Registrar. Students must be in good academic and financial standing with the University.
5. Enrollment in the Nursing Core Courses is limited. Completion of first year requirements and courses up to the desired level of entry (advanced standing, transfer, LPN-RN) does not mean automatic progression into the nursing core courses.
6. Students not approved to progress into the nursing core courses must submit a new review application.
7. During the second year of the nursing program core courses, students may be required to attend clinical experiences requiring travel outside of Roswell.
8. The New Mexico Nursing Practice Act provides for possible denial of licensure to persons convicted of a felony or who are in violation of the Parental Responsibility Act. All students will have a nationwide FBI background check completed within the first two weeks of the fall semester. Any student with a felony conviction within the past seven years or a misdemeanor conviction involving alcohol, illegal drugs, or family violence within three years should make an appointment with the nursing program director prior to submitting the final application.
9. All students approved for entry into Division of Health programs core courses at ENMUR are required to undergo drug screening. This also applies to transfer students. Drug screening will occur prior to attending any off-campus clinical experience and may be repeated if indicated. Students may be asked bring a current drug prescription and labeled medication container.
10. Nursing is a physically demanding career in which the practitioner may be exposed to a variety of illnesses. It is recommended that students approved for entry arrange to have the Hepatitis B Vaccine. Proof of health status tests/immunizations is the responsibility of the student. Hepatitis B is currently not mandated by the CDC but is highly recommended. It is also recommended students have an updated Tdap prior to any clinical experience involving newborns and infants

11. Proof of current American Heart Association Basic Life Support for Healthcare Providers certification is required by clinical agencies is the responsibility of the student. Red Cross certification is not accepted.

12. Eastern New Mexico University is an affirmative action and equal opportunity employer. The University does not discriminate on the basis of race, color, national origin, sex, or handicap in its programs, activities or employment. Persons seeking additional information about the University's nondiscrimination policy should contact the Director of Affirmative Action, ENMU-Roswell, P.O. Box 6000, Roswell, NM 88202-6000.

13. It is the candidates' responsibility to complete the TEAS (Test of Essential Academic Skills) test spring of the year of application. Candidates may test on the ENMU-R campus or other approved sites. There is a charge for the test. The TEAS exam may be taken twice for each progression cycle. Applicants must score a minimum of 57% as an individual total score in all areas to include Reading, Math, Science, and English and Language. TEAS scores are only valid for one year.
