

2019-2020 V5 – Aggregate Verification Worksheet

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review by the U.S. Department of Education. Federal regulations require colleges to use a verification process to confirm the accuracy of information you and your parents/stepparents or spouse reported on your FAFSA. The financial aid administrator at ENMU-Roswell will compare your FAFSA information with the information on this worksheet and with any other required documents. If there is a difference, the ENMU-Roswell Financial Aid Office may correct your FAFSA. You and at least one parent/stepparent (if you are a dependent student) must complete and sign this worksheet, attach any required documents and submit the form to the ENMU-Roswell Financial Aid Office. We may ask for additional information. If you have questions about verification, contact our office as soon as possible to avoid delaying your financial aid award offers.

What you should do:

- If you filed a 2017 federal tax return:** Follow instructions on the requirement notice to either use the IRS Data Retrieval Tool or request a required IRS Tax Transcript. **Copies of tax returns are not accepted.**
If you earned wages but are not required to file a 2017 federal tax return: Locate all 2017 W-2 forms and obtain a 2017 IRS Verification of Non-Filing Letter using IRS form 4506-TEZ (Dependent students do not need an IRS Verification of Non-Filing Letter).
If you didn't work and don't have to file a 2017 federal tax return: Obtain a 2017 IRS Verification of Non-Filing Letter using IRS form 4506-TEZ. (Dependent students do not need an IRS Verification of Non-Filing Letter.) Be sure to list amounts in Sections D & E of this worksheet.
- Make copies of required documents (IRS Tax Transcript(s), W-2 form(s), IRS Verification of Non-Filing Letter(s), etc.) for yourself and your parent(s)/spouse.
- Complete and sign this worksheet in its entirety (with at least one parent/stepparent, if applicable). Please refer to instruction letter to fill out worksheet correctly.
- Submit the completed worksheet, IRS Tax Transcript(s), and any other requested documents. We recommend turning all documents in at the same time to avoid delaying your financial aid award offers.
- If necessary, provide any additional information/documentation required to complete your verification process.
