Advisor's Notes/Recommendations:

- The A.A.S. Degree in Aviation Maintenance Technology transfer into a Bachelor of Applied Arts and Science (BAAS) Degree and the Bachelor of Science in Aviation Science Degree at ENMU.
- Students with a deficiency in mathematics are strongly urged to complete developmental mathematics prior to registration in the Aviation Maintenance program.
- In order to improve student success probability and reduce unnecessary attrition, all students must take the University Skills Placement Test prior to entering the program.
- Student must have an **ENMU Campus System** cumulative grade point average of 2.0 in order to meet graduation requirements.
- Submit a Graduation Application before the close of the semester preceding the expected completion date.

Program Requirements:

- All lectures and corresponding labs must be taken simultaneously.
- **MANDATORY DRUG SCREENING** is required during the first week of the program and will be scheduled by the Aviation Maintenance Program faculty. Students must pass the mandatory drug screening to remain in the program. Appeals can be made according to the process outlined in the Student Handbook.
- FAA Approved – FAR Part 147 Subjects
- * Subject sequence may be altered to accommodate section and equipment scheduling.
