Advisor's Notes/Recommendations:

- The A.A.S. Degree in Heating, Ventilation, Air Conditioning-Refrigeration Technology transfers into a Bachelor of Applied Arts and Science (B.A.A.S.) Degree program at ENMU.
- In order to improve student success probability and reduce unnecessary attrition, all students must take the University Skills Placement Test prior to entering the program.
- All lectures and corresponding labs must be taken simultaneously.
- Submit a Graduation Application before the close of the semester preceding the expected completion date.
