Advisor's Notes/Recommendations:

- **The A.A.S. degree in Medical Assisting transfers into a Bachelor of Applied Science (BAAS) Degree** program at ENMU.
- In order to improve student success probability and reduce unnecessary attrition, all students must take the University Skills Placement Test prior to entering the program. Students must complete developmental courses with a C or better as determined by placement test..
- All courses which have a co-requisite lab must be taken together for credit on initial and subsequent attempts.
- Student must have an **ENMU Campus System** cumulative grade point average of 2.0 in order to meet graduation requirements.
- Submit a Graduation Application before the close of the semester preceding the expected completion date.

Program Requirements:

- **MANDATORY DRUG SCREENING** is required during the first week of the program and will be scheduled by the Health Education faculty. Students must pass the mandatory drug screening to remain in the program. Students exhibiting signs of impaired clinical judgment related to suspected use of chemical substance, legal or otherwise, will be removed from the classroom, laboratory, or clinical setting immediately. Appeals can be made according to the process outlined in the Student Handbook
- A grade of "C" or better in each required courses must be achieved in order to graduate from the program.
- Students will be expected to meet health history, immunization, and background check requirements.
- **STUDENTS PURSUING AN ASSOCIATE OF APPLIED SCIENCE DEGREE IN MEDICAL ASSISTING MUST COMPLETE THE MEDICAL ASSISTING CERTIFICATE OF COMPLETION REQUIREMENTS AND THE FOLLOWING COURSES:**
