Advisor's Notes/Recommendations:

- In order to improve student success probability and reduce unnecessary attrition, all students must take the University Skills Placement Test prior to entering the program.

Program Requirements:

- Developmental courses as determined by Placement Test
- Mandatory drug screening is required during the first week of the program and will be scheduled by the Health Education faculty. Students must pass the mandatory drug screening to remain in the program. Students exhibiting signs of impaired clinical judgment related to suspected use of chemical substances, legal or otherwise, will be removed from the classroom, laboratory, or clinical setting immediately. At that time, the instructor will implement steps according to the Division of Health Policy for Student Suspected Impairment. Appeals can be made according to the process outlined in the Student Handbook.
- A grade of C or better in each required course must be achieved to be permitted to obtain a Certificate of Employability.

| | Grade | Sem. | | Grade | Sem. | | Grade | Sem. |
|-------------|-------|------|---------|-------|------|--------------|-------|------|
| Writeplacer | | | ENG 096 | | | | | |
| Math | -- | -- | | | | MATH 097/098 | | |

Note * Prerequisite/s required: See list below

| Fall and Spring Semesters | | | Credit Hours | Grade | Semester |
