

Degree Planning Worksheet

AA in Human Services

(Faculty Advisor: Dr. Bob Phillips)

Student Name: _____ **ID #:** _____

Advisor Name: _____ **Advisor Phone:** _____

This worksheet is designed to help you successfully plan and track your progress toward your degree. It lists all of the current graduation requirements in the recommended sequence. For full course descriptions, please refer to the current catalog.

SEQUENCE: In order to increase chances of success in more advanced courses, it is **strongly recommended** that students complete the Core 4 in the first two semesters. Choices in the General Education courses can be added to reach semester requirements. All *Program Required* courses should be taken AFTER *General Education* courses have been completed.

Courses only offered once a year are identified at the end of the course title with the following designations: **Fa** = fall only; **Sp** = spring only. NOTE: Course enrollment determines whether a course will be offered each semester.

Advisor Notes:

- In order to improve student success, all students must take the University Skills Placement Test prior to beginning the program.
- Student must have ENMU Campus System cumulative GPA of 2.0 in order to meet graduation requirements.
- In order to better prepare students for success and completion, it is strongly recommended that students complete the Core 4 and ALL Gen Ed requirements before moving into the Program Required courses.
