CAMPUS HISTORY

Roswell Community College was officially established as a branch of Eastern New Mexico University in the fall of 1958 under the leadership of Donald T. Rippey. From 1958 through the fall semester of 1962, the college conducted classes in the evening at Roswell High School. In January of 1963, with an enrollment of 75 students, eight daytime classes were held at the old post office. This established, for the first time in Roswell, a daytime coeducational college program.

When Walker Air Force Base closed on June 30, 1967, Eastern New Mexico University-Roswell acquired 234.5 acres, including 27 major brick structures and numerous frame construction buildings. Roswell Community College was renamed Eastern New Mexico University-Roswell. The college spent the summer moving into the new buildings, and in September of 1967, began holding classes on its new campus.

For the first time, ENMU-Roswell could offer, in addition to its

academic transfer program, a successful career and technical program which included training in various skilled trades and work in the health occupations areas. Enrollment has increased from 157 part-time students in 1958 to close to 4,000 students in the spring of 2015, illustrating the need for educational opportunity in southeastern New Mexico.

Through a series of statewide and local bond issues, a number of new buildings have been constructed. Several other facilities have been renovated and expanded to meet the changing needs of the ENMU-Roswell campus. Between 1996 and 2010 the following projects were completed: Arts & Science Center, Instructional Center renovation, Swimming Pool renovation, Instructional Technology Center, Aviation Maintenance expansion, Auto Tech/Occupational Training Center repair, Health Science Center Phases I and II, Sierra Vista Village, and renovation of the Campus Union Building. The Student Services Center, which centralizes student services functions, was completed in January of 2013.

STUDENTS' RIGHT TO KNOW

In compliance with Department of Education federal regulations, the Campus Crime Report and Graduation Rate Report are available on the ENMU-Roswell website at: www.roswell.enmu.edu. A printed copy is available upon request from either Campus

Security or the Vice President for Student Affairs. Students may call 1-800-243-6687 or mail a request to Campus Security at: P.O. Box 6000, Roswell, NM, 88202-6000.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

The Disability Services Office at Eastern New Mexico University-Roswell provides services to students with disabilities to ensure accessibility to university programs. For academic purposes, our services may include disability-related and referral information, extended testing time, preferential seating, reader services, books in audio format, large print material, adaptive equipment, taping of lectures, and other auxiliary aids. Academic accommodations are provided to eligible students free of charge.

According to the Americans with Disabilities Act (ADA) of 1990 and Section 504 of the Rehabilitation Act of 1973, a disability is defined as a mental or physical impairment which substantially limits one or more major life activities: self-care, performing manual tasks, walking, seeing, hearing, speaking, learning, and working. If you have a disability that impacts your academic performance, provide current documentation by a qualified professional and schedule an appointment with the Disability Services Office.

The student is responsible for delivering the academic accommodation information (AAI) form to his/her instructors. This form is generated during the initial meeting/intake interview. Students are required to meet with their instructor(s) to discuss their accommodations for each term they are enrolled at ENMU-Roswell. Eligible students are encouraged to schedule a meeting with the Disability Services Office as soon as possible, understanding that some accommodations cannot take effect immediately.

Students with disabilities have the right to equal access to courses, programs, activities, services, and facilities and are entitled to reasonable accommodations. All student information is kept confidential. The Disability Services Officer reserves the right to request additional information.

For a diagnosis of Learning Disability, ADHD, and other psychological disorders, a neuropsychological examination, psychological, or psycho-educational evaluation is required. Objective evidence of a substantial limitation must be provided. The evaluator's name, professional credential relevant to the diagnosis, and his/her contact information must be documented. Documentation must be on letterhead, typed, dated, and signed.

STUDENTS' RIGHTS & RESPONSIBILITIES

STUDENTS' RIGHTS & RESPONSIBILITIES

The following section on Student's Rights and Responsibilities serves to define the rights and responsibilities of a student as well as a process for resolving problems that develop between a staff member and a student. STUDENT CONDUCT POLICIES & DISCIPLINARY ACTIONS

ACADEMIC CONDUCT

STANDARDS OF BEHAVIOR IN CLASS

In order to provide an environment conducive to learning, the student must feel safe to engage in a free exchange of ideas.

Any behavior, action, or event that interferes with learning, in either an online or face-to-face environment will not be tolerated.

Disruptive behavior includes, but is not limited to: inappropriate dress, verbal or physical abuse, or signs of being under the influence of a chemical substance.

The instructor is the sole judge of what is appropriate in the class. Individuals affecting the learning or teaching process may be removed from the classroom for any length of time deemed appropriate to ensure a positive learning environment for all students. If the infraction is severe or continuing, an administrative withdrawal may be requested by the instructor to the Assistant Vice President of the instructional unit, and with approval from the Vice President for Academic Affairs.

ACADEMIC DISHONESTY

The following acts, or any other acts of academic dishonesty, that compromise the integrity of the academic process and community are subject to disciplinary action. For more information, see Disciplinary Actions for Academic Dishonesty below.

Plagiarism

Plagiarism includes, but is not limited to, offering the work of another as one's own; offering the work of another without proper acknowledgement; and/or failing to give credit for quotations or essentially identical expressions of material taken from books, encyclopedias, magazines, reference works, term papers, reports, or other writings of another individual.

Cheating Behavior

Cheating behavior includes, but is not limited to:

a. Dishonesty of any kind on examinations, quizzes, written assignments and projects;

b. Unauthorized possession of examinations, quizzes or instructor records;

c. Use of unauthorized notes or information during an examination, quiz, or exercise;

d. Obtaining information during an examination or assignment from another individual and/or assisting others in cheating;

e. Alteration of grades on an examination, an assignment, or records of an instructor or the college;

f. Illegal entry or unauthorized presence in an office of the college or residence of an instructor, or unauthorized access to grade records or examination and assignment requirements; and

g. Any act of fraud or misrepresentation.

DISCIPLINARY ACTIONS FOR ACADEMIC DISHONESTY

It is the responsibility of instructors to determine what constitutes academic dishonesty and identify its occurrence. **Although the following procedures represent potential penalties for academic dishonesty, instructors have the responsibility to enforce policies distinct to their classes, programs, and/or academic departments.** Students should refer to individual course syllabi for instructors' policies regarding Academic Dishonesty.

Any student aiding another student in academic dishonesty will be potentially subject to the following actions. Students who help other students cheat, plagiarize, or perform other acts of academic dishonesty are as responsible as the students who take and use the information. **Written records documenting academic dishonesty, provided by the instructor, will be added to the student's permanent file in the Office of Admissions and Records.**

For an offense of academic dishonesty, one or all of the following actions may be taken:

1. The student will receive zero credit for the assignment(s).
2. The student, if enrolled in an online course not already requiring monitored testing, will be required to complete assessments in a proctored environment approved by the instructor. It is the student's responsibility to find an eligible proctor.
3. The student will sign, and thereby agrees to, a written statement listing the consequences for further acts of

academic dishonesty either in the current course or any other courses taken at ENMU-Roswell.*

*If a student is involved in a second act of academic dishonesty, determined by review of the student's Admissions and Records file by the Vice President for Academic Affairs, the case will be forwarded to the Academic Standards Committee. This body will review the prior and current acts of academic dishonesty and assign appropriate penalties; student appeals of the Academic Standards Committees ruling should be directed to the Vice President for Academic Affairs and also the Vice President for Student Affairs.

4. The student will be removed from the course in which the infraction occurred and will receive a semester grade of F. Note: Avoiding a grade of F through a withdrawal will not be allowed.

5. The student will be administratively withdrawn from all coursework for the remainder of the semester except the course in which the infraction occurred where a grade of F will be assigned.*

*The instructor reserves the right to have a student removed from his or her class; however, the power to remove a student from the University resides with the Vice President for Academic Affairs and the Vice President for Student Affairs therefore, a student must meet with these individuals if a faculty member requests that the student be suspended from the University.

APPEALING VIOLATIONS OF STUDENTS' RIGHTS

TITLE IX POLICY AND GRIEVANCE PROCEDURES

The Eastern New Mexico University System (the System/System) affirms its commitment to promote the goals of fairness and equity in all aspects of the educational enterprise. The System prohibits any and all discrimination on the basis of sex. All policies and subsequent procedures below are subject to resolution using the ENMU Equity Resolution Process, as detailed below. When the responding party is a member of the System community, the Equity Resolution Process is applicable regardless of the status of the reporting party who may be a member or non-member of the System community, including prospective students, students, student organizations, faculty, administrators, staff, prospective employees, guests, and visitors.

The System adheres to all federal and state civil rights laws prohibiting discrimination in public institutions of higher education. This policy and procedure specifically govern the System's sex-based discrimination policies and procedures. The System does not discriminate on the basis of sex in its educational programs, activities, employment, and admission decisions, and the University is required by Title IX and 34 C.F.R. Part 106 not to discriminate in such a manner.

When brought to the attention of the System, any sex-based discrimination will be appropriately addressed and remedied by the System according to the Equity Resolution Process described below. Non-members of the campus community who engage in violations of this policy with the System's programs or on System property are not under the jurisdiction of this policy but can be subject to actions that limit their access and/or involvement with System programs, events or property as a result of their misconduct. All vendors serving the System through third party contracts are subject to these policies and procedures.

Jurisdiction: This policy applies to behaviors that take place on property owned, operated or controlled by the System; at System events, and off-campus as appropriate where such conduct has the purpose or effect of discriminating against any person on the basis of sex with respect to any education program or activity of the System. This also includes any building owned or controlled by any student organization officially recognized by the System.

Non-Discrimination Statement/Title IX coordinator: ENMU-R does not discriminate, on the basis of sex, its educational programs, activities, employment and admission, and ENMU-R is required by Title IX and 34 C.F.R. Part 106 not to discriminate in such a manner. In accordance with Title IX, ENMU-R is committed to providing maintaining a campus environment free from Sex-Based Discrimination, whether committed by students, faculty, staff, or third parties, such as prospective students, campus visitors, community members, etc. Inquiries concerning the application of Title IX and 34 C.F.R. Part 106 may be referred to the ENMU-R Title IX Coordinator or to the Assistant Secretary for the Office for Civil Rights of United States Department of Education.

Reporting an Incident: Report incidences of Sex-Based Discrimination using any of the following options. There is no time limit for filing a report of sex-based discrimination, however, if the respondent is no longer subject to ENMU-R's jurisdiction, the ability to investigate, respond and provide remedies may be more limited. If you are in need of emergency services, call the ENMU-Roswell Campus Security Office, or 911 immediately; then

1. Report directly to the Title IX Coordinator or the Deputy Title IX Coordinator;
2. Report to an Official with Authority – President, Vice President, Assistant Vice President, or Executive Director of the University;
3. Report to any trusted, responsible member of the ENMU-R campus community who can refer you to one of the above campus representatives.
4. Report an incident through the automated Self-Service Banner system, using the Student Complaint Links located on the Student Services & Financial Aid Tab.

All incidences of actual, suspected or implied Sex-Based Discrimination must be reported to, and reviewed by the Title IX Coordinator, regardless of the role of the reporter or the respondent in the campus community (students, faculty, staff or third-party participants), and even if an incident was initially reported to another party. The University has actual knowledge of sexual harassment, or an allegation of such, when reported to the Title IX Coordinator, the Deputy Title IX Coordinator, or an Official with Authority. All ENMU-R employees (students, faculty, staff, and administrators) are required to report actual or suspected Sex-Based Discrimination to appropriate officials immediately, unless the employee is acting in an official, licensed capacity as a counselor, health provider or member of the clergy. All other staff involved in the reporting, investigation or hearing processes of a Title IX complaint will maintain the confidentiality of parties involved to the extent possible, based on FERPA regulations, and the need to protect the campus community. All parties involved must understand that the university may not be able to honor confidentiality in all cases.

ENMU-R encourages the reporting of sex-based discrimination by reporting parties and witnesses. Sometimes, reporting parties or witnesses are hesitant to report to ENMU-R officials or participate in resolution processes out of

the fear of self-accusation of policy violations. It is in the best interest of the campus community for responsible parties to report to ENMU-R officials, and that witnesses come forward to share what they know. To encourage reporting, ENMU-R pursues a policy that will protect the educational opportunities of parties who willingly participate in an investigation, but might otherwise be subject to sanctions for violations of policy because of their involvement in the activity.

Investigation of an Incident: ENMU-R will initially act on any formal or informal allegation or report of violation of this policy received by the Title IX Coordinator, the Deputy Title IX Coordinator, or an Official with Authority. Following receipt of notice or a report of a violation of this policy, the Title IX Coordinator will contact the complainant to discuss the availability of supportive measures, and explain the process for filing a formal complaint. As necessary, the System reserves the right to initiate an investigation without a formal report or participation by the reporting party, if known circumstances would reasonably support an investigation.

The Title IX Coordinator or their designee(s) may provide supportive measures intended to address the short-term effects of sex-based discrimination, i.e., to redress harm to the reporting party and the community and to prevent further violations. These remedies may include, but are not limited to the following:

1. Referral to counseling and health services;
2. Referral to an employee assistance program;
3. Education to the community;
4. Altering the housing situation of the respondent, resident student, resident employee or reporting party;
5. Altering work arrangement for employees;
6. Providing campus escorts (safe ride services);
7. Providing reasonable transportation accommodations;
8. Implementing contact limitations between the parties;
9. Restricting access to certain campus facilities or campuses; and/or
10. Offering adjustments to academic deadlines, course schedules, etc.

The University may impose emergency measures, such as an interim suspension of a student or student organization, or may place an employee on administrative leave pending the completion of investigation. Such action may occur when it is determined that the safety or well-being of any member(s) of the campus community may be jeopardized by the continued presence on-campus of the respondent or the ongoing activity of a student organization whose behavior is in question. The Title IX Coordinator will recommend emergency measures in consultation with other University administrative officials. The Title IX Coordinator, in consultation with other University administrative staff, will implement the appropriate emergency measures, as determined. Violation of an interim suspension under this policy will be grounds for expulsion or termination.

If the Title IX Coordinator determines during the preliminary inquiry that there is reasonable cause to believe there has been a violation of policy, the formal investigation process will begin.

Within five (5) days of Title IX Coordinator's determination that there is reasonable cause to believe there has been a violation of policy, the Title IX Coordinator or his/her designee(s) will provide written notification of the commencement of the investigation to the parties. The notice shall contain a statement of the allegations against the respondent, the possible sanctions if the allegations are substantiated, the right of the respondent to present evidence and a witness list in response thereto, and any other information the

Title IX Coordinator, in his/her sole discretion deems appropriate to include. A designated investigator will conduct interviews of the reporting party, the respondent and relevant witnesses. A party may submit a list of witnesses to the investigator within ten (10) days of the written notification of the initiation of the investigation. The investigator will review the witness list and will call for the interview of relevant witnesses. The reporting party, the respondent, and any witness interviewed as part of an investigation may have an advisor of their choice present at their interview. However, the advisor may not to speak on behalf of the interviewee, or offer any evidence or argument in the investigation process. All interviews are confidential, and all persons interviewed, and their advisors, if any, are required to maintain the confidentiality of all investigation proceedings.

The investigator will examine all relevant evidence and witness statements prior to issuing an investigation report. The investigator may disregard any evidence found to be irrelevant. Either party may submit evidence to the investigator, but the investigator will not be limited to reviewing only evidence submitted by the parties, and may rely on outside evidence obtained during the investigation process.

Within sixty (60) days of the initiation of the investigation, the investigator will prepare an Investigation Report. The Investigation Report will include a statement of the allegations against the respondent, the evidence reviewed and the witnesses interviewed, and a summary of the investigation.

Informal Resolution: An informal resolution can be pursued for any behavior that falls within this policy, at any time during the process. This option may be used when:

- a. A responding party admits responsibility for all or part of the alleged policy violations at any point in the process;
- b. the investigation reaches a finding that the parties accept;
- c. both parties elect to resolve the allegation using the Informal Resolution Process and the Title IX Coordinator assents.

At any point during the Informal Resolution process, including at its conclusion, either party may request that the matter be referred to a Formal Resolution process.

Hearing Procedures: As a part of a formal resolution process, the University must provide for a live hearing, if requested by either party. The requesting party may request a hearing by delivering a written request for hearing to the Title IX Coordinator within five (5) days of receipt of the Investigation Report. Once a hearing is requested, the Title IX Coordinator will notify the designated Decision-Maker, who shall schedule a hearing to take place not more than thirty (30) days from the date of the written request for hearing. The Decision-Maker will provide the respondent with notice of the date and time of the hearing not less than five (5) days before the date of the hearing.

The scope of the hearing will be limited to the complaint, content of the written investigation report and any other evidence collected during the process. Formal rules of evidence do not apply. The respondent will be allowed to address the written investigation report, including presentation of any evidence which the responding party wishes to present; however, the Decision-Maker may, with discretion, prohibit the introduction of duplicative or irrelevant evidence. The respondent may, but is not required to, provide an oral or written statement in response to the written investigation report and the recommended sanctions.

Cross-Examination must only be conducted by an advisor and never by the party. Questions challenging credibility are allowed. The Decision-Maker must evaluate each question to determine relevance before the question is answered, and must explain why a particular question shall be excluded. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. If an individual refuses to submit to cross examination, the Decision-Maker may not rely on any statement of that individual to determine responsibility.

Proceedings are private. All persons present at any time during the hearing are expected to keep the contents of the hearing private. The parties have the discretion to share their own experiences if they so choose, and should discuss doing so with their advisors.

Hearings (except for deliberations) are recorded for purposes of review in the event of an appeal. The parties may not record the proceedings, and no other unauthorized recordings are permitted. The Decision-Maker, the parties, and appropriate administrative officers of the System will be allowed to listen to the recording in a location determined by the Title IX Coordinator. No person will be given or be allowed to make a copy of the recording without permission from the Title IX Coordinator. The Decision-Maker will review the Investigation Report, including all evidence provided therewith, including all inculpatory and exculpatory evidence, and render a decision solely on the question of whether or not the University shall impose the recommended sanctions. The Decision-Maker may impose any greater or lesser sanctions, for good cause, based on his/her review of all of the evidence. (Refer to the formal policy for possible sanctions that may be imposed). The Decision-Maker will prepare a written deliberation report and deliver it to the Title IX Coordinator and both parties simultaneously. The report will include a statement of the allegations, procedural steps of the process, findings, conclusions, sanctions imposed if any, the rationale thereof, and the permissible bases for an appeal by either party.

Appeals: If either party may appeal the findings of an investigation and/or hearing on the specific bases listed below. However, a party appealing the outcome of the investigation process must provide a notice of appeal to the Title IX Coordinator within three (3) days of receipt of the Investigation Report, or if a hearing is conducted, within three (3) days of the final decision of the Hearing Administrator. The Title IX Coordinator will assign the appeal to an appropriate Appeal Decision-Maker, who may be an Adjudication Officer, Executive Area Administrator, Campus President, or System Chancellor. The notice of appeal must specify a proper and reasonable basis for the appeal, as listed below:

- (1) Procedural irregularity that affected the outcome of the matter;
- (2) New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

- (3) The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The Appeal Decision-Maker hearing the appeal will review the appeal request(s). The original finding and sanction/responsive actions will stand if the appeal is not timely or is not based on the grounds listed above, and such a decision is final. The party requesting an appeal must show that the grounds for an appeal request have been met, and the other party or parties may show the grounds have not been met, or that additional grounds are met. When any party requests an appeal, the Title IX Coordinator will share the appeal request with the other party, who may file a response within three (3) days of notice by the Title IX Coordinator. If new grounds are raised, the original, appealing party will be permitted to submit a written response to these new grounds within three (3) business days. Any response or appeal request will be shared with each party. The Appeal Decision-Maker will issue a decision within thirty (30) days of receipt of the written notice of appeal. The decision rendered on appeal is final.

Subsequent Prevention: ENMU-R is committed to preventing the recurrence of any sex-based discrimination including without limitation, harassment, or other sexual misconduct. ENMU-R will document and take such steps as are deemed appropriate to facilitate change for the purpose of the correction of discriminatory effects on the reporting party and others, as appropriate, and ENMU-R.

Retaliation: ENMU-R takes reports of sex-based discrimination very seriously. The University will not tolerate retaliation against those who make such reports or participate in the investigatory or adjudicatory process. Retaliation includes, but is not limited to, any adverse employment or educational action taken for making a report of sex-based discrimination, or otherwise participating under this Policy. The University considers any actual or threatened retaliation or any act of intimidation to prevent or otherwise obstruct the reporting of sex-based discrimination or the participation in the Title IX Process a separate violation of this Policy and may result in disciplinary sanctions. Any person who believes that they have been subject to retaliation should immediately report this concern to the Title IX Coordinator.

ENMU-R highly recommends that each member of the campus community, as defined above, downloads and becomes familiar with the full language in the ENMU System Policy 80-12 Title IX (Equal Opportunity, Harassment, and Nondiscrimination on the Basis of Sex) for the safety and protection of all members of the campus community.

ACADEMIC RULES & REGULATIONS

ACADEMIC STANDARDS & INTEGRITY

Academic standards are established to provide an orderly system to the University and to provide a framework of interaction among students, faculty and administration.

Students are responsible for achieving academic and course goals and objectives as prescribed by their instructors and for

demonstrating attainment in an honest manner. Failure to do so may result in either grade changes and/or disciplinary action. Misrepresentation of knowledge can influence a course grade or determination of satisfactory fulfillment of an academic requirement.

CLASS ATTENDANCE

When students enroll in the University, it is assumed that necessary arrangements have been made to attend classes faithfully. Regular class attendance is important. Students are responsible for material presented at each class meeting.

Students in vocational programs are expected to view class attendance in the same way they would view attendance in a job situation. Vocational instructors are expected to be able to speak to a student's job habits as exhibited by job skills just as readily as the technical skills obtained.

Attendance - Academic Programs

Students are expected to attend all course sessions and complete all course work and arrange to make up work as specified in the course syllabus. When circumstances make attendance impossible, such absences should be reported to the instructor as soon as possible.

Attendance - Career & Technical Programs

Because of the unique and special requirements of the career and technical programs, the attendance policies for the programs will be included in the course syllabi.

Attendance - Web Courses

Students should devote as much time to their web classes as they do to their on-site classes. Assignments are available the first day of class and students may find themselves getting behind if they do not login to their online class the first week of classes.

State & Federal Regulations

Department of Education and Veterans Administration regulations require that students who stop attending class without following the proper withdrawal process and students who withdraw before the end of the semester may be required to return a portion of their Veteran's benefits and/or financial aid.

COURSE/UNIVERSITY WITHDRAWAL

Steps to Withdraw

Students may withdraw from a course and/or completely withdraw from the University between the last day to register (end of add/drop) and the Friday of week 10. Please see the withdrawal policy in the current University Catalog for full details regarding the withdrawal process. Students should speak with their instructors prior to initiating the withdrawal process to determine if the instructor can make arrangements with the student to avoid withdrawal.

Step 1:

Obtain a withdrawal form on the ENMU-Roswell website. Go to www.roswell.enmu.edu, click the Records tab at the top of the page. In the middle of the page is a list of forms. Click the link that says "Withdrawal Form". The withdrawal form is a PDF form that must be printed.

Step 2:

Print a copy of your course schedule. Go to www.roswell.enmu.edu, click the link on the top right of the page that

says “CosmoLink”. Log in to the CosmoLink and click the link on the left side of the page for the Banner SSB. Once in the SSB click “Student and Financial Aid,” then “Registration,” then “Student Detail Schedule (Printable Official)”. Select the term you want to print a schedule for and the schedule will show on your screen. To print, right-click on the schedule and choose “Print”.

Step 3:

Complete the student and course information on the withdrawal form and take it to the appropriate assistant vice president’s office as listed on the other side of this page to obtain approval from the assistant vice president’s office. If you need assistance with completing the form,

someone in the AVP’s office will be able to assist you.

Step 4:

After filling out the form and obtaining the required signatures the form will be turned in to the One Stop Center for processing by the assistant vice president’s office. Forms without proper approvals will not be processed.

Step 5:

If you receive financial aid it is in your best interest to check with the Financial Aid office to determine if your withdrawal will have any effect on your financial aid award or future eligibility.

ADMINISTRATIVE WITHDRAWAL

Administrative withdrawal is for non-academic reasons only, (i.e., non-attendance, accident, illness, behavioral issues; failure to pass a drug screen or successfully meet the requirements of a background check; or failure to meet other requirements of prospective clinical sites).

Administrative withdrawal may be initiated and approved by administrative-level staff, i.e., Vice President of Academic Affairs, Vice President of Student Affairs, Executive Director of Student Services, or the Assistant Vice President of an Instructional Unit.

Withdrawal is effective immediately upon approval. The approved withdrawal form will be submitted to the Admission and Records Office for processing.

Students who must exit the University due to extenuating or unforeseen circumstances must initiate the withdrawal from class by contacting the instructor. If this is not possible, the student should contact one of the administrative-level staff listed above to request an administrative withdrawal from the University.

COURSE CHALLENGE EXAMINATION

Regularly enrolled students at ENMU-Roswell have the option of passing a course in their degree plan by challenge examination without class attendance. A challenge examination may take the form of tests, projects, writing assignments, and other measures of course competency.

A student who is already enrolled in a course will not be eligible to challenge the course if the semester is in progress. To arrange a challenge examination for credit, the student must obtain and complete the following:

1. The Challenge Examination for Credit Request form from Admissions and Records confirming that the student has a cumulative GPA of 2.5.

2. Agreement of the course instructor or faculty member to administer the examination or send the examination to the Testing Center to be proctored by one of the staff in that area.

3. Signatures on the form include: (1) student, (2) registrar (3) faculty member and (4) unit Assistant Vice President.

4. Proof of payment from the Business Office noted on the Request for Challenge Examination form; the \$70.00 fee is nonrefundable.

Once the student has obtained the appropriate signatures on the form, and paid the nonrefundable fee, the form must be

returned to the Office of Admissions and Records. Once the form is processed, a copy will be sent to the faculty member who has approved the challenge request.

After taking the examination, if the student receives a grade of C or higher, the course will appear on the transcript with the grade that the student has earned and be counted in the student's grade point average for that semester. If the student receives a grade lower than a C, no entry will be made on the transcript, and the student will have the option of registering for the course at the current tuition rate.

Due to programming guidelines, students may not challenge courses in certain career-technical/health programs.

Challenge Examination for Advanced Placement

Regularly enrolled students at ENMU-Roswell are encouraged to take challenge examinations for advancement in foreign language courses. The student must arrange with the instructor to take the challenge examination prior to the regular semester, and the academic program stipulations apply.

ENMU-Roswell is committed to drug and alcohol education for students and staff and takes an active approach toward the health and safety of all members of the University community.

ENMU-Roswell recognizes the institution's responsibility, but also holds the student and employee responsible for their own

State and Federal Law

The ENMU-Roswell policy is in keeping with the education mission of the institution and applicable state laws governing controlled substances. The policy applies to the illegal possession, distribution and abuse of alcohol as defined in New Mexico statutes by both students and employees. Drunken and/or disorderly behavior will not be tolerated.

ENMU-Roswell's Drug-Free School policy requires the Division of Student Affairs to provide each student with a copy of the policy. The program also requires each student, as a condition of enrollment, to abide by ENMU-Roswell's Drug and Alcohol

STUDENT RECORDS

ACADEMIC STANDINGS

ACADEMIC WARNING

- All students whose GPA falls below a cumulative GPA of 2.0 for the first time will be placed on academic warning at the end of that semester.
- Students whose cumulative GPA remains below 2.0 after being placed on academic warning will continue on academic warning status as long as their semester GPA is 2.25 or higher or until the cumulative GPA is again above 2.0.
- Students whose cumulative GPA and semester GPA are below 2.0, and have attempted less than 16 hours will remain on academic warning status. Once 16 hours have been attempted, failure to meet either the semester or cumulative GPA requirement will result in academic probation status.

ACADEMIC PROBATION

- Students whose cumulative GPA remains below 2.0, whose semester GPA is below 2.25, and who have attempted at least 16 hours, will be placed on academic probation.
- Students whose cumulative GPA remains below 2.0 after being placed on academic probation will continue on academic probation status as long as their semester GPA is 2.25 or higher, or until the cumulative GPA is again above 2.0.
- Students whose cumulative GPA remains below a cumulative 2.0 and semester GPA remains below 2.25 after one semester of probation will be placed on academic suspension.

ACADEMIC SUSPENSION

- Students suspended for the first time will be allowed to apply for readmission to ENMU-Roswell after one regular academic semester (fall or spring) has elapsed.
- Students suspended for a second time will be allowed to apply for readmission after two regular academic semesters (fall or spring) have elapsed.
- Students suspended for a third time will be allowed to apply for readmission after a period of five years has elapsed.
 - Readmission in any of these instances is not automatic.

Students who do not maintain adequate academic standing (Good Standing) will begin to progress from Academic Warning to Academic Probation and finally, to Academic Suspension.

Students whose cumulative GPA is raised to 2.0 or higher after being placed on Academic Warning, Academic Probation, or Academic Suspension, will be placed back into Good Standing status. Subsequent failures to meet the above academic standards will result in Academic probation or suspension statuses, accordingly.

Continuing students on academic warning, probation and suspension waiver may enroll only during regular registration periods and once grades have been posted for the current semester. Failure to meet the conditions of the Suspension Waiver may result in disenrollment, further suspension or denial of readmission to the University.

Students suspended from any ENMU Campus are suspended from the University. Suspended students must apply for readmission to the University, regardless of the campus of enrollment, and must submit an Academic Standing - Appeal for Readmission Form to the Academic Standards Committee. The Academic Standards Committee will review the appeal and determine whether or not the student will be allowed readmission to the university. Students allowed readmission after suspension will be placed on a suspension waiver with specified conditions for enrollment. These conditions may include a required minimum semester GPA, repeat of certain courses, or other requirements deemed appropriate by the Academic Standards Committee.

Transfer Students Probation and Suspension

If students on probation from another university wish to enroll at ENMU-Roswell, their first semester of attendance will be a probationary semester. Students may be suspended at the end of that semester if they fail to obtain a 2.0 semester grade point average.

If students on suspension from another institution wish to enroll in courses at ENMU-Roswell, they may appeal to the Academic Standards Committee for an admission waiver. They should be warned, however, that credits earned during suspension periods may not be accepted by receiving institutions.

AUDITING

Students may audit classes by indicating NC (non-credit) on the registration form. Students may change the registration to credit during the drop/add period provided that all requirements for regular admission are met. It is also possible for students to register for credit and change to audit during the drop/add period.

Courses taken for no credit will appear on the student's transcript as "NC" with no credits recorded and no grades assigned.

Fees for auditing classes are the same as for taking classes for credit.

CREDIT HOURS & COURSE LOAD

All courses are recorded in terms of academic credit hours. Generally, one credit hour of instruction is equivalent to one 50-minute class period per week for 16 weeks. Courses that include laboratory work specify the number of lab hours required weekly. For self-paced courses or field experiences, credit hour value is not determined by class meetings.

Full-Time Students

Students who register for 12 or more credit hours per semester are considered to be full-time students. The normal semester load for full-time students is 12 to 18 credit hours; however, some programs require more.

Part-Time Student

Students who register for fewer than 12 credit hours per semester

are considered to be part-time students.

Classification of Students

Students who have earned fewer than 29 credit hours are classified as freshman. Those who have accumulated 30 or more credit hours are classified as sophomores.

Student Load

A full-time course load is 12 through 18 credit hours during a regular semester and 6 through 12 during an eight-week summer session. Students exceeding 18 hours in a regular semester or 12 hours in a summer session require approval by the Assistant Vice President and will be assessed additional tuition.

DEAN'S HONOR LIST

Students enrolled for 12 or more credit hours at ENMU-Roswell, whose end-of-semester GPA is 3.25 or better, will be listed on the Dean's Honor List. Audit courses are not included in the

credit hour calculation. This list is prepared for the fall and spring semesters only.

GRADING SYSTEM

The following are letter grades given and their equivalents in grade points:

"A" - 4 grade points per credit hour; "A" grade indicates exceedingly high achievement.

"B" - 3 grade points; "B" grade indicates above average achievement.

"C" - 2 grade points; "C" grade indicates satisfactory

achievement.

"D" - 1 grade point; "D" grade indicates marginal achievement.

"F" - 0 grade points; "F" grade indicates unsatisfactory achievement.

Other report abbreviations and their meanings include the following:

“I” – Incomplete - The “I” grade is given for passing work which could not be completed due to circumstances beyond the student’s control. The following policies apply to “I” grades:

1. In no case is an “I” to be used by faculty to avoid the assignment of “D” or “F” grades for marginal or failing work.
2. Change of an “I” to a satisfactory grade is accomplished by the instructor submitting a change of grade form to the Office of Admissions and Records when the work has been completed. An “F” grade may be given for inadequate work or work not completed in a timely fashion.
3. A student cannot change an “I” by reenrolling in the course. Repeating a course will give the student a new grade but will not remove the “I” from the previous registration.
4. An “I” grade will not replace an “F” grade for grade point average determination.
5. It is the student’s responsibility to remove an “I” by completing his/her course work in a manner acceptable to the instructor before the end of the next regular semester. In the event that an instructor no longer teaches at ENMU-Roswell or the instructor cannot be reached, the student should contact the appropriate assistant vice president for further assistance.
6. Failure of the student to complete required coursework and/or failure of the instructor to submit the appropriate Grade Change Form before the end of the next regular semester will result in the conversion of the “I” to a grade

of “F”.

“N” – No grade reported by instructor.

“W” – Withdrawal - “W” indicates formal withdrawal from class prior to the withdrawal deadline for each semester.

“S” – Satisfactory - “S” indicates satisfactory completion of a short-term workshop or other unique course designated for “S-U” grading.

“U” – Unsatisfactory - “U” indicates unsatisfactory work in a short-term workshop or other unique course designated for “S-U” grading.

“NC” – Audit. “NC” indicates that students are taking the course for no credit.

Students may access their grades and a calculated semester and cumulative GPA through the secure sign-in area of the ENMU-Roswell website at the end of each semester.

Only those courses with grades “A,” “B,” “C,” “D,” or “F” are included in the calculation of the GPA. Grades of “AU,” “NC,” “I,” “N,” “S,” “U,” and “W” are excluded from the calculations, but are included on the grade report.

CREDIT BY EXAMINATION

The maximum amount of credit from a combination of special credit (CLEP, Advanced Placement (AP), Challenge, or Military Service Credit) which may be applied to an associate degree is 32 credit hours. Any credit earned through CLEP and Advanced

Placement must be mutually exclusive. For example, students cannot earn three (3) hours of English credit through Advanced Placement and another three (3) hours of credit for English through CLEP.

CLEMENCY POLICY

The ENMU-Roswell academic clemency policy allows qualified students to redeem their academic record.

Philosophy

Students who have attempted college work previously and were not successful in their effort and now wish to resume their college careers but are held back by poor academic records, may, through the application of academic clemency, exclude from current work the poor academic record under certain conditions.

Criteria

To be considered for the academic clemency program, a student must have last attended ENMU-Roswell five or more years ago, be readmitted through normal channels and complete at least 12 hours after returning with a GPA of at least 2.0 on those hours.

Procedure

Students who meet these criteria may apply for clemency in the Admissions and Records Office. No courses taken prior to

the student's return will be counted in the ENMU-Roswell GPA. Courses with a grade of "D" or better will be carried forward as earned credit only and can be used to meet degree requirements.

Note:

1. This policy pertains to the calculation of the GPA for progress toward degree completion and does not pertain to GPA calculated for professional certification and/or licensing.

2. Students can apply for and benefit from policy only once, and it is not reversible. Grades earned before clemency remain on the student's record, and a statement at the time of clemency will explain the action taken.

3. The student who has already graduated may not apply for clemency.

GRADUATION

All students expecting to complete their programs of study (any certificate or associate degree) must file an application for graduation by the following deadlines:

Fall 2019 Semester – June 14, 2019

Spring 2020 Semester – TBD

Summer 2020 Session – TBD

Applications not received by the above deadlines will be accepted on a case-by-case basis as timelines allow. However, students turning in late applications may not be permitted to participate in the commencement ceremony due to space limitations.

Although some instructional units and/or advisors may notify eligible students they are eligible to graduate, it is still the student's responsibility to complete an application to graduate.

At the end of the semester in which the student is eligible to

graduate, diplomas will be ordered for students who completed their degree requirements. Diplomas will be mailed to eligible students approximately 8-10 weeks after the end of the semester. Degrees will be posted at the same time diplomas are ordered.

STUDENT COMPLAINTS

STUDENT COMPLAINTS DEFINED

Complaints are written expression of dissatisfaction or formal allegations against the university, its units, its employees (including faculty and staff), and its students.

A student complaint is any concern with a person, policy, or service for which a student requests clarification, investigation, and resolution.

Informal verbal complaints are resolved at the decision-making level that is closest to the concern expressed, or with the immediate supervisor in the unit. Such complaints are not tracked unless required by specific policy of law.

Formal, written complaints contain information that identifies the student and describes the concern. This type of complaint and its resolution are tracked.

Some processes, such as Grade Review, Financial Aid Appeals, and other formal processes, have their own policies and are not included under the category of formal, written complaints.

However, a complaint may be submitted in the event that a student believes that a given policy or process has not been followed.

Eastern New Mexico University – Roswell is committed to providing a transparent and effective mechanism for communicating and resolving student complaints, in accordance with university policy [70.1], the U.S. Department of Education, and the Higher Learning Commission of the North Central Association.

Feedback about student concerns is a valid source of information that is used to help the University improve the quality of its services.

Types of Complaints excluded from this reporting procedure: Student Complaints concerning sexual harassment and sexual misconduct are excluded from this Student complaint reporting procedure. Instead, student complaints concerning sexual harassment and sexual misconduct must be reported to the Title IX officer.

SUBMITTING A COMPLAINT

Problems can be solved in two ways:

- Direct, informal discussion
- Using the formal student complaint form

Start by attempting to-resolve a problem where it began.

We always encourage you to start by trying to solve the problem yourself by speaking directly with the person who has the ability to address the problem.

If you do not feel comfortable talking to that specific person, you could take your concerns to their immediate supervisor or request that they be present at your meeting with the party involved.

While you may be tempted to “start at the top,” it is almost always more effective to attempt to resolve the matter first with the person concerned through quick, direct, informal communication.

This also preserves your right to use the appeal process if you are not satisfied with the initial decision.

If your attempt to resolve a matter directly is unsuccessful and you still wish to make a complaint, the outcome of your initial conversation(s) should be included when you use the student complaint form.

Some problems, particularly if they arise concerning matters that have specific appeals procedures of their own, will not be brought into this complaints system unless your concern is about the institution’s failure to follow the outlined process.

Check appropriate handbooks, catalogs, and published policies to determine if there is a specific policy or process for resolving this type of concern.

HOW TO SUBMIT A COMPLAINT

The student complain form is an electronic form in the Self-Service Banner system. You can access the form by logging into the CosmoLink and navigating to the Self-Service Banner system. Within the system, there is a link to the Student Complain Form.

The form is pre-filled with your contact information, but you will

be asked to confirm to ensure you can be contacted for more information about your complaint.

Please provide as much information about the situation as possible to ensure all the details are included in the investigation and resolution.

WHAT HAPPENS WHEN YOU SUBMIT A COMPLAINT

When you fill out a student complaint form, it will NOT be anonymous. Therefore, identifying information will be included, but will be protected from improper disclosure as outlined by the Family Educational Rights and Privacy Act (FERPA).

Specific information will be used as necessary to assist in resolving the problem. Receipt of your electronic complaint will be acknowledged, and your concern will be forwarded to the

appropriate office for review.

You may be contacted for more details as part of the resolution process. If the issue is not complex, it will be resolved as quickly as possible, but some concerns may require further investigation. The final authority for dealing on a solution is the Vice President for the area in question.

YOUR SAFETY

If anything related to your concern causes you to feel worried about your safety, you should immediately contact Campus

Security at 624-7180 or the local police station.

WHAT IF I CHANGE MY MIND?

You can withdraw your complaint at any time by replying to any of the emails you have received from us.

Your complaint will be considered withdrawn and no further action will be taken.

WHAT CAN I DO IF I AM STILL NOT SATISFIED?

If, after exhausting all available institutional processes, a student's complaint remains unresolved, the following link contains contact information for higher education authorities:

The New Mexico Higher Education Department (NMHED) also has a complaint process students may follow after all University appeals have been completed.
