Date

Advisor's Notes/Recommendations:

- All lectures and corresponding labs must be taken simultaneously.
- Student must have an **ENMU Campus System** cumulative grade point average of 2.0 in order to meet graduation requirements.
- Submit a Graduation Application before the close of the semester preceding the expected completion date.

Program Requirements:

- Completion of college admission requirements.
- Current New Mexico State EMT License.
- Completion of health guidelines of clinical agencies.
- Possession and maintenance of AHA BLS Healthcare Provider certification for the duration of the program.
- EMS 202 and EMS 203 may be taken as corequisites; however, it is strongly suggested that the course be complete prior to beginning the AEMT core courses.
- All students must complete a background check using the agency specified by the EMS Program. Any student convicted of a misdemeanor within 36 months and/or felony within 7 years prior to the beginning of the semester is encouraged to visit with the Director of Clinical Education or EMS Program Director prior to applying.
- All students must undergo drug screening. Drug screening may be repeated based on requirements of clinical site contracts. Students must pass the mandatory drug screening and any mandatory screening to remain in the program.
