

2021-2022 V5 – Aggregate Verification Worksheet

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review by the U.S. Department of Education. Federal regulations require colleges to use a verification process to confirm the accuracy of information you and your parents/stepparents or spouse reported on your FAFSA. The financial aid administrator at ENMU-Roswell will compare your FAFSA information with the information on this worksheet and with any other required documents. If there is a difference, the ENMU-Roswell Financial Aid Office may correct your FAFSA. You and at least one parent/stepparent (if you are a dependent student) must complete and sign this worksheet, attach any required documents and submit the form to the ENMU-Roswell Financial Aid Office. We may ask for additional information. If you have questions about verification, contact our office as soon as possible to avoid delaying your financial aid award offers.

What you should do:

- If you filed a 2019 federal tax return:** Follow instructions on the requirement notice to either use the IRS Data Retrieval Tool or request a required IRS Tax Transcript. **Copies of tax returns are not accepted.**
