Advisor's Notes/Recommendations:

- The A.A.S. Degree in Occupational Therapy Assistant transfers into a Bachelor of Applied Arts and Sciences program at ENMU.
- In order to improve student success probability and reduce unnecessary attrition, all students must take the University Skills Placement Test prior to entering the program.
- All lectures and corresponding labs must be taken simultaneously.
- Student must have an **ENMU Campus System** cumulative grade point average of 2.5 in order to meet graduation requirements.
- Submit a Graduation Application before the close of the semester preceding the expected completion date.
- **Must have current Basic Life Support Certification Card through the American Heart Association prior to taking level 1 courses.**

Program Requirements:

- Students enter or REENTER the OTA program under the **CURRENT** Catalog.
- All fieldwork must be completed within 20 months following completion of Level II Fall OTA Core Courses.
- **MANDATORY DRUG SCREENING and BACKGROUND CHECK** is required during the first week of the program and will be scheduled by the Division of Health faculty. Students must pass the mandatory drug screening to remain in the program. Students exhibiting signs of impaired clinical judgment related to suspected use of chemical substance, legal or otherwise, will be removed from the classroom, laboratory, or clinical setting immediately. Appeals can be made according to the process outlined in the Student Handbook.
- All first year (level I) required courses must be completed in order to enroll in OT 214, 216, 240, 242, 244, 246 and/or to progress to second year (level II). All OTA Classes and Non-OTA classes must be complete before progressing into Level II Spring OTA courses.
- A grade of "C" or better in all courses listed in degree plan.
- A failed or attempted OTA course must be repeated during the next semester the course is offered pending re-entry policy into program.

Progression into the Occupational Therapy Assistant Program (OTA) is a competitive application process. Declaration of a major does not guarantee acceptance into the OTA program. Suggestion: all non-OTA courses may be taken before OTA courses sequence (including summer session).

The associate-degree-level occupational therapy assistant program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929. ACOTE’s telephone number c/o AOTA is (301) 652-AOTA, and its Web address is www.acoteonline.org. Graduates of the program will be eligible to sit for the national certification examination for the occupational therapy assistant administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be a Certified Occupational Therapy Assistant (COTA). Also, all states require licensure to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Note: A felony conviction may affect a graduate’s ability to sit for the NBCOT certification examination or attain state licensure.
