

2016-17 Financial Aid Satisfactory Academic Progress Appeal Information

Please read this information provided before you complete the appeal form.

The form that you will need to complete is attached to this form and it is to request reinstatement of your financial aid for the completion of your degree program. You must have a current FAFSA and be registered for the semester. You will need to explain in detail the extenuating circumstances which prevented you from meeting SAP and what has changed to ensure your academic success.

Federal regulations require students to demonstrate *Satisfactory Academic Progress (SAP)* toward an eligible degree or certificate program in order to qualify to receive financial assistance. A student who is not making SAP can appeal based on extenuating circumstances. If you have extenuating circumstances that have prevented you from making SAP and you wish to submit an appeal, please complete the attached form and submit all required documents to support your appeal.

Examples of extenuating circumstances could include (but are not limited to):

1. Serious accident or illness of the student or immediate family member
2. Death of an immediate family member
3. Immediate family or financial obligations
4. Other unexpected documented circumstances beyond the student's control.

Examples of unacceptable extenuating circumstances include (but are not limited to): withdrawal to avoid a failing grade, too many courses, dislike of instructor, etc.

You should have a current copy of degree evaluation or plan and only be enrolled in classes on your degree plan. If you meet with an academic advisor for registration you should update your degree plan at that time. This gives you the opportunity to ask any questions regarding classes you are taking and be sure they are all part of your program of study.

Please read the *Satisfactory Academic Progress Policy (SAP)* so that you understand the policy. It is important that you understand the time frame limits as regulations require that schools deny financial aid eligibility to a student who cannot complete his/her certificate or degree within the time frame limit. The policy is on the ENMU-Roswell website at www.roswell.enmu.edu on the Financial Aid page.

Students submitting appeals who have pre-registered in classes should plan to pay the required deposit by the due date or classes will be cancelled.

Appeal Deadline Dates Results will be sent to students ENMU-Roswell student email account.
