MISSION STATEMENT

Preparing a diverse community with the skills and education for success.

CAMPUS HISTORY

Roswell Community College was officially established as a branch of Eastern New Mexico University in the fall of 1958 under the leadership of Donald T. Rippey. From 1958 through the fall semester of 1962, the college conducted classes in the evening at Roswell High School. In January of 1963, with an enrollment of 75 students, eight daytime classes were held at the old post office. This established, for the first time in Roswell, a daytime coeducational college program.

When Walker Air Force Base closed on June 30, 1967, Eastern New Mexico University-Roswell acquired 234.5 acres, including 27 major brick structures and numerous frame construction buildings. Roswell Community College was renamed Eastern New Mexico University-Roswell. The college spent the summer moving into the new buildings, and in September of 1967, began holding classes on its new campus.

For the first time, ENMU-Roswell could offer, in addition to its

academic transfer program, a successful career and technical program which included training in various skilled trades and work in the health occupations areas. Enrollment has increased from 157 part-time students in 1958 to close to 4,000 students in the spring of 2015, illustrating the need for educational opportunity in southeastern New Mexico.

Through a series of statewide and local bond issues, a number of new buildings have been constructed. Several other facilities have been renovated and expanded to meet the changing needs of the ENMU-Roswell campus. Between 1996 and 2010 the following projects were completed: Arts & Science Center, Instructional Center renovation, Swimming Pool renovation, Instructional Technology Center, Aviation Maintenance expansion, Auto Tech/Occupational Training Center repair, Health Science Center Phases I and II, Sierra Vista Village, and renovation of the Campus Union Building. The Student Services Center, which centralizes student services functions, was completed in January of 2013.

STUDENTS' RIGHT TO KNOW

In compliance with Department of Education federal regulations, the Campus Crime Report and Graduation Rate Report are available on the ENMU-Roswell website at: www.roswell.enmu.edu. A printed copy is available upon request from either Campus

Security or the Vice President for Student Affairs. Students may call 1-800-243-6687 or mail a request to Campus Security at: P.O. Box 6000, Roswell, NM, 88202-6000.

Students are required to meet with their instructor(s) to discuss their accommodations for each term they are enrolled at ENMU-Roswell. Eligible students are encouraged to schedule a meeting with the Disability Services Office as soon as possible, understanding that some accommodations cannot take effect immediately.

Students with disabilities have the right to equal access to courses, programs, activities, services, and facilities and are entitled to reasonable accommodations. All student information is kept confidential. The Disability Services Officer reserves the right to request additional information.

For a diagnosis of Learning Disability, ADHD, and other psychological disorders, a neuropsychological examination, psychological, or psycho-educational evaluation is required. Objective evidence of a substantial limitation must be provided. The evaluator's name, professional credential relevant to the diagnosis, and his/her contact information must be documented. Documentation must be on letterhead, typed, dated, and signed.

STUDENT CONDUCT POLICIES & DISCIPLINARY ACTIONS

ACADEMIC CONDUCT

STANDARDS OF BEHAVIOR IN CLASS

In order to provide an environment conducive to learning, the student must feel safe to engage in a free exchange of ideas.

Any behavior, action, or event that interferes with learning, in either an online or face-to-face environment will not be tolerated.

Disruptive behavior includes, but is not limited to: inappropriate dress, verbal or physical abuse, or signs of being under the influence of a chemical substance.

The instructor is the sole judge of what is appropriate in the class. Individuals affecting the learning or teaching process may be removed from the classroom for any length of time deemed appropriate to ensure a positive learning environment for all students. If the infraction is severe or continuing, an administrative withdrawal may be requested by the instructor to the Assistant Vice President of the instructional unit, and with approval from the Vice President for Academic Affairs.

ACADEMIC DISHONESTY

The following acts, or any other acts of academic dishonesty, that compromise the integrity of the academic process and community are subject to disciplinary action. For more information, see Disciplinary Actions for Academic Dishonesty below.

g. Any act of fraud or misrepresentation.

DISCIPLINARY ACTIONS FOR ACADEMIC DISHONESTY

It is the responsibility of instructors to determine what constitutes academic dishonesty and identify its occurrence. **Although the following procedures represent potential penalties for academic dishonesty, instructors have the responsibility to enforce policies distinct to their classes, programs, and/or academic departments.** Students should refer to individual course syllabi for instructors' policies regarding Academic Dishonesty.

Any student aiding another student in academic dishonesty will be potentially subject to the following actions. Students who help other students cheat, plagiarize, or perform other acts of academic dishonesty are as responsible as the students who take and use the information. **Written records documenting academic dishonesty, provided by the instructor, will be added to the student's permanent file in the Office of Admissions and Records.**

For an offense of academic dishonesty, one or all of the following actions may be taken:

1. The student will receive zero credit for the assignment(s).
2. The student, if enrolled in an online course not already requiring monitored testing, will be required to complete assessments in a proctored environment approved by the instructor. It is the student's responsibility to find an eligible proctor.
3. The student will sign, and thereby agrees to, a written statement listing the consequences for further acts of

academic dishonesty either in the current course or any other courses taken at ENMU-Roswell.*

*If a student is involved in a second act of academic dishonesty, determined by review of the student's Admissions and Records file by the Vice President for Academic Affairs, the case will be forwarded to the Academic Standards Committee. This body will review the prior and current acts of academic dishonesty and assign appropriate penalties; student appeals of the Academic Standards Committees ruling should be directed to the Vice President for Academic Affairs and also the Vice President for Student Affairs.

4. The student will be removed from the course in which the infraction occurred and will receive a semester grade of F. Note: Avoiding a grade of F through a withdrawal will not be allowed.

5. The student will be administratively withdrawn from all coursework for the remainder of the semester except the course in which the infraction occurred where a grade of F will be assigned.*

*The instructor reserves the right to have a student removed from his or her class; however, the power to remove a student from the University resides with the Vice President for Academic Affairs and the Vice President for Student Affairs therefore, a student must meet with these individuals if a faculty member requests that the student be suspended from the University.

8.) Once interviews are completed, an Investigation Report will be submitted by ENMU-R Security to the Title IX Coordinator;

9.) The Title IX Coordinator will review the evidence and a decision will be made, based on evaluation of the evidence, whether or not a Title IX Violation most likely occurred.

10.) The decision will be reviewed by the investigative committee;

11.) The complainant and the respondent will be notified of the findings and any sanctions or disciplinary actions imposed as a result of the investigation, as well as the right to pursue remedies outside of the University process.

- 3.) The sanction is substantially disproportionate to the findings.

A decision will be communicated to you within 10 business days of the receipt of the appeal, unless extenuating circumstances arise that delay the response. You will be notified if any such delay should occur.

The deadline to appeal is seven calendar days after you receive the written decision or determination you wish to appeal. Untimely appeals and appeals that otherwise fail to conform to this

Policy may be summarily rejected and returned to you without consideration by the appellate authority.

ENMU-ROSWELL STATEMENT ON SEXUAL HARASSMENT

ENMU-Roswell strives to maintain an academic and working environment free from all forms of harassment and insists that all students be treated with dignity, respect and courtesy.

A comment or conduct of a sexual nature, where such behavior threatens or offends any student is unacceptable.

To help clarify what is unlawful sexual harassment, the Federal Equal Employment Opportunity commission has issued Guidelines on the subject.

Those Guidelines state that unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature will constitute unlawful sexual harassment when:

Submission to sexual conduct is an explicit or implicit term or condition of an individual's employment or classroom evaluation;

Submission to or rejection of such conduct by an individual is used as basis for academic or employment decisions affecting such individual;

When sexual advances, request for sexual favors, or other verbal or physical conduct of a sexual nature have the purpose or effect of unreasonably interfering with an individual's class performance or an individual's work performance or creates an intimidating, hostile, or offensive working or classroom environment.

ENMU-Roswell recognizes that employees and students of both sexes work together and communicate. Although there is no absolute definition of conduct that constitutes sexual harassment in every case, all ENMU-Roswell employees and students are asked to conduct themselves in accordance with the guidelines set forth above.

The University strongly disapproves of any form of sexual harassment at the workplace or in the classroom, including acts of non-employees. Disciplinary action will be taken promptly against any student, employee, supervisor or other person engaging in unlawful sexual harassment. The University will not tolerate any conduct which fails to comply with the letter and spirit of these guidelines.

ACADEMIC RULES & REGULATIONS

ACADEMIC STANDARDS & INTEGRITY

Academic standards are established to provide an orderly system to the University and to provide a framework of interaction among students, faculty and administration.

Students are responsible for achieving academic and course goals and objectives as prescribed by their instructors and for

demonstrating attainment in an honest manner. Failure to do so may result in either grade changes and/or disciplinary action. Misrepresentation of knowledge can influence a course grade or determination of satisfactory fulfillment of an academic requirement.

CLASS ATTENDANCE

When students enroll in the University, it is assumed that necessary arrangements have been made to attend classes faithfully. Regular class attendance is important. Students are responsible for material presented at each class meeting.

Students in vocational programs are expected to view class attendance in the same way they would view attendance in a job situation. Vocational instructors are expected to be able to speak to a student's job habits as exhibited by job skills just as readily as the technical skills obtained.

Attendance - Academic Programs

Students are expected to attend all course sessions and complete all course work and arrange to make up work as specified in the course syllabus. When circumstances make attendance impossible, such absences should be reported to the instructor as soon as possible.

Attendance - Career & Technical Programs

Because of the unique and special requirements of the career and technical programs, the attendance policies for the programs will be included in the course syllabi.

Attendance - Web Courses

Students should devote as much time to their web classes as they do to their on-site classes. Assignments are available the first day of class and students may find themselves getting behind if they do not login to their online class the first week of classes.

State & Federal Regulations

Department of Education and Veterans Administration regulations require that students who stop attending class without following the proper withdrawal process and students who withdraw before the end of the semester may be required to return a portion of their Veteran's benefits and/or financial aid.

COURSE/UNIVERSITY WITHDRAWAL

Steps to Withdraw

Students may withdraw from a course and/or completely withdraw from the University between the last day to register (end of add/drop) and the Friday of week 10. Please see the withdrawal policy in the current University Catalog for full details regarding the withdrawal process. Students should speak with their instructors prior to initiating the withdrawal process to determine if the instructor can make arrangements with the student to avoid withdrawal.

Step 1:

Obtain a withdrawal form on the ENMU-Roswell website. Go to www.roswell.enmu.edu, click the Records tab at the top of the page. In the middle of the page is a list of forms. Click the link that says "Withdrawal Form". The withdrawal form is a PDF form that must be printed.

Step 2:

Print a copy of your course schedule. Go to www.roswell.enmu.edu, click the link on the top right of the page that

says “CosmoLink”. Log in to the CosmoLink and click the link on the left side of the page for the Banner SSB. Once in the SSB click “Student and Financial Aid,” then “Registration,” then “Student Detail Schedule (Printable Official)”. Select the term you want to print a schedule for and the schedule will show on your screen. To print, right-click on the schedule and choose “Print”.

Step 3:

Complete the student and course information on the withdrawal form and take it to the appropriate assistant vice president’s office as listed on the other side of this page to obtain approval from the assistant vice president’s office. If you need assistance with completing the form,

someone in the AVP’s office will be able to assist you.

Step 4:

After filling out the form and obtaining the required signatures the form will be turned in to the One Stop Center for processing by the assistant vice president’s office. Forms without proper approvals will not be processed.

Step 5:

If you receive financial aid it is in your best interest to check with the Financial Aid office to determine if your withdrawal will have any effect on your financial aid award or future eligibility.

ADMINISTRATIVE WITHDRAWAL

Administrative withdrawal is for non-academic reasons only, (i.e., non-attendance, accident, illness, behavioral issues; failure to pass a drug screen or successfully meet the requirements of a background check; or failure to meet other requirements of prospective clinical sites).

Administrative withdrawal may be initiated and approved by administrative-level staff, i.e., Vice President of Academic Affairs, Vice President of Student Affairs, Executive Director of Student Services, or the Assistant Vice President of an Instructional Unit.

Withdrawal is effective immediately upon approval. The approved withdrawal form will be submitted to the Admission and Records Office for processing.

Students who must exit the University due to extenuating or unforeseen circumstances must initiate the withdrawal from class by contacting the instructor. If this is not possible, the student should contact one of the administrative-level staff listed above to request an administrative withdrawal from the University.

COURSE CHALLENGE EXAMINATION

Regularly enrolled students at ENMU-Roswell have the option of passing a course in their degree plan by challenge examination without class attendance. A challenge examination may take the form of tests, projects, writing assignments, and other measures of course competency.

A student who is already enrolled in a course will not be eligible to challenge the course if the semester is in progress. To arrange a challenge examination for credit, the student must obtain and complete the following:

1. The Challenge Examination for Credit Request form from Admissions and Records confirming that the student has a cumulative GPA of 2.5.

2. Agreement of the course instructor or faculty member to administer the examination or send the examination to the Testing Center to be proctored by one of the staff in that area.

3. Signatures on the form include: (1) student, (2) registrar (3) faculty member and (4) unit Assistant Vice President.

4. Proof of payment from the Business Office noted on the Request for Challenge Examination form; the \$70.00 fee is nonrefundable.

Once the student has obtained the appropriate signatures on the form, and paid the nonrefundable fee, the form must be

returned to the Office of Admissions and Records. Once the form is processed, a copy will be sent to the faculty member who has approved the challenge request.

After taking the examination, if the student receives a grade of C or higher, the course will appear on the transcript with the grade that the student has earned and be counted in the student's grade point average for that semester. If the student receives a grade lower than a C, no entry will be made on the transcript, and the student will have the option of registering for the course at the current tuition rate.

Due to programming guidelines, students may not challenge courses in certain career-technical/health programs.

Challenge Examination for Advanced Placement

Regularly enrolled students at ENMU-Roswell are encouraged to take challenge examinations for advancement in foreign language courses. The student must arrange with the instructor to take the challenge examination prior to the regular semester, and the academic program stipulations apply.

NON-ACADEMIC RULES & REGULATIONS

UNIVERSITY STANDARDS

Students at ENMU-Roswell are assumed to have a serious purpose and sincere interest in their social and intellectual development.

They are expected to cope with problems with intelligence, reason and consideration for the rights of others, and to utilize mature and peaceable means to support changes they desire. Just as students appreciate their own rights and freedom, they are expected to

respect the rights and freedom of others.

Students may be asked to present identification to properly identified University personnel upon request while these persons are in the performance of their duties. If they refuse or are unable to do so, they shall be treated as non-students until they can be proven to be students.

DRUG-FREE CAMPUS POLICY & INFORMATION

ENMU-Roswell is a drug-free campus. Drug and alcohol abuse on campus poses a serious threat to the health and welfare of faculty, staff and students; impairs work and academic performance; jeopardizes the safety and well-being of other students and members of the general public; and conflicts with the responsibility of ENMU-Roswell to foster a healthy atmosphere for the pursuit of education and service.

The unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on the premises of ENMU-Roswell, including, but not limited to its campus grounds, facilities, vehicles, or any activity held on campus premises. As a condition of enrollment, any student of ENMU-Roswell shall abide by the terms of the Drug-Free Campus Policy.

Legal Sanctions

Any legal sanctions will be in accordance with applicable state laws and local ordinances. Students and employees engaged in unlawful possession, distribution, or use of controlled substances may also be subject to expulsion or termination of employment and referral for prosecution for violations of the standards of conduct.

Drug Free Schools Act of 1990

ENMU-Roswell, in compliance with the Drug Free Schools Act of 1990, has implemented a program to deter illicit possession, use, or distribution of controlled substances. ENMU-Roswell is committed to drug and alcohol education for students and staff and takes an active approach toward the health and safety of all members of the University community.

ENMU-Roswell recognizes the institution's responsibility, but also holds the student and employee responsible for their own

decisions/actions.

State and Federal Law

The ENMU-Roswell policy is in keeping with the education mission of the institution and applicable state laws governing controlled substances. The policy applies to the illegal possession, distribution and abuse of alcohol as defined in New Mexico statutes by both students and employees. Federal regulations prohibit possession and distribution of alcohol and illegal drugs and provide for penalties of imprisonment and fines. Specific language of the regulations can be obtained from the Office of the Vice President for Student Affairs.

Education and Support

Eastern New Mexico University-Roswell's Division of Student Affairs offers confidential assistance to students for drug and/or alcohol prevention. These services include short-term counseling, problem assessment and referrals to outside agencies which include outpatient and self-help groups.

College Regulations

No alcoholic beverages are allowed on campus (i.e., public buildings, lounges, patios, foyers, arenas, parks, parking lots and other open spaces on campus). Violators of state statutes and/or university regulations governing the possession and/or consumption of alcohol or controlled substances shall be subject to sanctions as set forth by ENMU-Roswell policy. This is in addition to the regulations and/or penalties described in the New Mexico state statutes. Residential students are individually responsible for maintaining an atmosphere and community in the residential areas that is in concert with the academic mission of the University. Drunken and/or disorderly behavior will not be tolerated.

ENMU-Roswell's Drug-Free School policy requires the Division of Student Affairs to provide each student with a copy of the policy. The program also requires each student, as a condition of enrollment, to abide by ENMU-Roswell's Drug and Alcohol

Policies. Those students who receive federal or state money under Financial Aid benefits must sign a certification of awareness of the University's Drug-Free School policy and program.

SMOKE-FREE CAMPUS

ENMU-Roswell is a tobacco-free institution; therefore, the use of any form of tobacco is prohibited in ENMU-Roswell buildings and vehicles.

Violations by students are to be handled according to the University's policy on discipline.

PROCEDURE FOR REPORTING INCIDENTS

Reports of misconduct or alleged misconduct can be made to any University personnel. Individuals receiving such reports shall keep them confidential and immediately transmit them to Campus

Security after ensuring that the affected individual has apparent health and counseling needs met.

TRAFFIC, PARKING & SAFETY REGULATIONS

All vehicles parked on ENMU-Roswell property and its adjoining streets are required to display a current parking sticker. Parking stickers can be obtained from the Campus Security office during regular business hours. Students requesting a parking sticker must have a current student ID card and a copy of their vehicle registration.

In addition, all students are required to carry their student ID card while present on campus or at University-sponsored events. Students unable to produce a student ID card may be asked to leave the premises. Student ID cards may be obtained in the Campus Security office during regular business hours. Students requesting a student ID card will be required to provide their current course schedule and documentation that financial payment arrangements have been made with the Business Office.

The following brief summary of traffic, parking, and safety regulations has been adopted for the benefit of all parties concerned.

For detailed information, reference is made in the Policies and Procedures Manual of Eastern New Mexico University-Roswell.

ENMU-Roswell campus security officers have the authority and duty to enforce all applicable traffic laws of the University and

the State.

All students are reminded that while on campus they are subject to the New Mexico Motor Vehicle Code and the University traffic regulations. The University utilizes video cameras. If you are involved in a vehicle accident on university property, do not move the vehicle. Call Campus Security at 624-7180 immediately.

ENMU-Roswell assumes no responsibility for damage to motor vehicles or any loss while they are operated or parked on campus. Questions about these regulations need to be referred to the Chief of Security, ENMU-Roswell.

Motor vehicles shall not be left unattended overnight in University parking lots. Any person wishing to leave their motor vehicle overnight must first contact the ENMU-Roswell Campus Security Department and obtain a special overnight parking permit. Any vehicle left unattended without a special permit is subject to being towed at the motor vehicle owner's expense after 72 hours.

The ENMU-Roswell Campus Security Department provides security and law enforcement for the college. The college employs security officers who are responsible for the college's security. The security officer may be contacted through the switchboard,

or by calling (575) 624-7180. Preventing crime is a shared responsibility between the college and its campus members.

Please promptly report crime or suspicious activities that

occur on campus to a security officer at (575) 624-7180. For emergencies, first call 9-911 followed by notifying the Campus Security at (575) 624-7180.

COMPUTER USE POLICY

The Computer Services Department and other ENMU-Roswell units provide computer services to a large number of faculty, staff and students, as well as other individuals and groups that represent constituencies that are related to the University.

The University seeks to make access to basic computing available to all students, faculty, staff and campus affiliates who agree to University policies and who use equipment, facilities, and systems responsibly.

All computer users have the responsibility to use the ENMU-Roswell computer systems in an effective, efficient, ethical and lawful manner.

ENMU-Roswell's policy for use of its computing facilities is based on Title 18 of the United States code and on the United States Copyright Law and the laws of the State of New Mexico: Chapter 30, article 45, Computer Crimes.

The University has various specific rules, regulations, and

procedures, which govern the use of computing equipment and facilities that are posted in the labs. Users shall cooperate with the operators, consultants and supervisors.

In accordance with established University practices, violations may result in disciplinary action, which could lead to expulsion, and/or legal action.

ENMU-Roswell reserves the right to limit a computer user's session if there are insufficient resources, or if the user is determined by appropriate authorities to be acting in an irresponsible or unlawful manner.

Students are encouraged to utilize Computer Services and other ENMU-Roswell consulting services; however, obtaining assistance in completing computer related academic assignments, when forbidden by an instructor, is prohibited.

STUDENT RECORDS

ACADEMIC STANDINGS

ACADEMIC WARNING

- All students whose GPA falls below a cumulative GPA of 2.0 for the first time will be placed on academic warning at the end of that semester.
- Students whose cumulative GPA remains below 2.0 after being placed on academic warning will continue on academic warning status as long as their semester GPA is 2.25 or higher or until the cumulative GPA is again above 2.0.
- Students whose cumulative GPA and semester GPA are below 2.0, and have attempted less than 16 hours will remain on academic warning status. Once 16 hours have been attempted, failure to meet either the semester or cumulative GPA requirement will result in academic probation status.

ACADEMIC PROBATION

- Students whose cumulative GPA remains below 2.0, whose semester GPA is below 2.25, and who have attempted at least 16 hours, will be placed on academic probation.
- Students whose cumulative GPA remains below 2.0 after being placed on academic probation will continue on academic probation status as long as their semester GPA is 2.25 or higher, or until the cumulative GPA is again above 2.0.
- Students whose cumulative GPA remains below a cumulative 2.0 and semester GPA remains below 2.25 after one semester of probation will be placed on academic suspension.

ACADEMIC SUSPENSION

- Students suspended for the first time will be allowed to apply for readmission to ENMU-Roswell after one regular academic semester (fall or spring) has elapsed.
- Students suspended for a second time will be allowed to apply for readmission after two regular academic semesters (fall or spring) have elapsed.
- Students suspended for a third time will be allowed to apply for readmission after a period of five years has elapsed.
 - Readmission in any of these instances is not automatic.

Students who do not maintain adequate academic standing (Good Standing) will begin to progress from Academic Warning to Academic Probation and finally, to Academic Suspension.

Students whose cumulative GPA is raised to 2.0 or higher after being placed on Academic Warning, Academic Probation, or Academic Suspension, will be placed back into Good Standing status. Subsequent failures to meet the above academic standards will result in Academic probation or suspension statuses, accordingly.

Continuing students on academic warning, probation and suspension waiver may enroll only during regular registration periods and once grades have been posted for the current semester. Failure to meet the conditions of the Suspension Waiver may result in disenrollment, further suspension or denial of readmission to the University.

Students suspended from any ENMU Campus are suspended from the University. Suspended students must apply for readmission to the University, regardless of the campus of enrollment, and must submit an Academic Standing - Appeal for Readmission Form to the Academic Standards Committee. The Academic Standards Committee will review the appeal and determine whether or not the student will be allowed readmission to the university. Students allowed readmission after suspension will be placed on a suspension waiver with specified conditions for enrollment. These conditions may include a required minimum semester GPA, repeat of certain courses, or other requirements deemed appropriate by the Academic Standards Committee.

Transfer Students Probation and Suspension

If students on probation from another university wish to enroll at ENMU-Roswell, their first semester of attendance will be a probationary semester. Students may be suspended at the end of that semester if they fail to obtain a 2.0 semester grade point average.

If students on suspension from another institution wish to enroll in courses at ENMU-Roswell, they may appeal to the Academic Standards Committee for an admission waiver. They should be warned, however, that credits earned during suspension periods may not be accepted by receiving institutions.

AUDITING

Students may audit classes by indicating NC (non-credit) on the registration form. Students may change the registration to credit during the drop/add period provided that all requirements for regular admission are met. It is also possible for students to register for credit and change to audit during the drop/add period.

Courses taken for no credit will appear on the student's transcript as "NC" with no credits recorded and no grades assigned.

Fees for auditing classes are the same as for taking classes for credit.

CREDIT HOURS & COURSE LOAD

All courses are recorded in terms of academic credit hours. Generally, one credit hour of instruction is equivalent to one 50-minute class period per week for 16 weeks. Courses that include laboratory work specify the number of lab hours required weekly. For self-paced courses or field experiences, credit hour value is not determined by class meetings.

Full-Time Students

Students who register for 12 or more credit hours per semester are considered to be full-time students. The normal semester load for full-time students is 12 to 18 credit hours; however, some programs require more.

Part-Time Student

Students who register for fewer than 12 credit hours per semester

are considered to be part-time students.

Classification of Students

Students who have earned fewer than 29 credit hours are classified as freshman. Those who have accumulated 30 or more credit hours are classified as sophomores.

Student Load

A full-time course load is 12 through 18 credit hours during a regular semester and 6 through 12 during an eight-week summer session. Students exceeding 18 hours in a regular semester or 12 hours in a summer session require approval by the Assistant Vice President and will be assessed additional tuition.

DEAN'S HONOR LIST

Students enrolled for 12 or more credit hours at ENMU-Roswell, whose end-of-semester GPA is 3.25 or better, will be listed on the Dean's Honor List. Audit courses are not included in the

credit hour calculation. This list is prepared for the fall and spring semesters only.

GRADING SYSTEM

The following are letter grades given and their equivalents in grade points:

"A" - 4 grade points per credit hour; "A" grade indicates exceedingly high achievement.

"B" - 3 grade points; "B" grade indicates above average achievement.

"C" - 2 grade points; "C" grade indicates satisfactory

achievement.

"D" - 1 grade point; "D" grade indicates marginal achievement.

"F" - 0 grade points; "F" grade indicates unsatisfactory achievement.

Other report abbreviations and their meanings include the following:

“I” – Incomplete - The “I” grade is given for passing work which could not be completed due to circumstances beyond the student’s control. The following policies apply to “I” grades:

1. In no case is an “I” to be used by faculty to avoid the assignment of “D” or “F” grades for marginal or failing work.
2. Change of an “I” to a satisfactory grade is accomplished by the instructor submitting a change of grade form to the Office of Admissions and Records when the work has been completed. An “F” grade may be given for inadequate work or work not completed in a timely fashion.
3. A student cannot change an “I” by reenrolling in the course. Repeating a course will give the student a new grade but will not remove the “I” from the previous registration.
4. An “I” grade will not replace an “F” grade for grade point average determination.
5. It is the student’s responsibility to remove an “I” by completing his/her course work in a manner acceptable to the instructor before the end of the next regular semester. In the event that an instructor no longer teaches at ENMU-Roswell or the instructor cannot be reached, the student should contact the appropriate assistant vice president for further assistance.
6. Failure of the student to complete required coursework and/or failure of the instructor to submit the appropriate Grade Change Form before the end of the next regular semester will result in the conversion of the “I” to a grade

of “F”.

“N” – No grade reported by instructor.

“W” – Withdrawal - “W” indicates formal withdrawal from class prior to the withdrawal deadline for each semester.

“S” – Satisfactory - “S” indicates satisfactory completion of a short-term workshop or other unique course designated for “S-U” grading.

“U” – Unsatisfactory - “U” indicates unsatisfactory work in a short-term workshop or other unique course designated for “S-U” grading.

“NC” – Audit. “NC” indicates that students are taking the course for no credit.

Students may access their grades and a calculated semester and cumulative GPA through the secure sign-in area of the ENMU-Roswell website at the end of each semester.

Only those courses with grades “A,” “B,” “C,” “D,” or “F” are included in the calculation of the GPA. Grades of “AU,” “NC,” “I,” “N,” “S,” “U,” and “W” are excluded from the calculations, but are included on the grade report.

CREDIT BY EXAMINATION

The maximum amount of credit from a combination of special credit (CLEP, Advanced Placement (AP), Challenge, or Military Service Credit) which may be applied to an associate degree is 32 credit hours. Any credit earned through CLEP and Advanced

Placement must be mutually exclusive. For example, students cannot earn three (3) hours of English credit through Advanced Placement and another three (3) hours of credit for English through CLEP.

CLEMENCY POLICY

The ENMU-Roswell academic clemency policy allows qualified students to redeem their academic record.

Philosophy

Students who have attempted college work previously and were not successful in their effort and now wish to resume their college careers but are held back by poor academic records, may, through the application of academic clemency, exclude from current work the poor academic record under certain conditions.

Criteria

To be considered for the academic clemency program, a student must have last attended ENMU-Roswell five or more years ago, be readmitted through normal channels and complete at least 12 hours after returning with a GPA of at least 2.0 on those hours.

Procedure

Students who meet these criteria may apply for clemency in the Admissions and Records Office. No courses taken prior to

the student's return will be counted in the ENMU-Roswell GPA. Courses with a grade of "D" or better will be carried forward as earned credit only and can be used to meet degree requirements.

Note:

1. This policy pertains to the calculation of the GPA for progress toward degree completion and does not pertain to GPA calculated for professional certification and/or licensing.

2. Students can apply for and benefit from policy only once, and it is not reversible. Grades earned before clemency remain on the student's record, and a statement at the time of clemency will explain the action taken.

3. The student who has already graduated may not apply for clemency.

GRADUATION

All students expecting to complete their programs of study (any certificate or associate degree) must file an application for graduation by the following deadlines:

Fall 2018 Semester – June 8, 2018

Spring 2019 Semester – October 12, 2018

Summer 2019 Session – March 1, 2019

Applications not received by the above deadlines will be accepted on a case-by-case basis as timelines allow. However, students turning in late applications may not be permitted to participate in the commencement ceremony due to space limitations.

Although some instructional units and/or advisors may notify eligible students they are eligible to graduate, it is still the student's responsibility to complete an application to graduate.

At the end of the semester in which the student is eligible to

graduate, diplomas will be ordered for students who completed their degree requirements. Diplomas will be mailed to eligible students approximately 8-10 weeks after the end of the semester. Degrees will be posted at the same time diplomas are ordered.

Students wishing to participate in commencement ceremonies and have their names published in the graduation program or newspaper must state so on their application for graduation.

Students must have an institutional cumulative grade point average of 2.0 and complete all degree requirements in order to be awarded a degree or certificate from ENMU-Roswell.

Note:

Participation in graduation ceremonies does not constitute meeting degree requirements. Completion of degree requirements will be verified once final semester grades have been posted.

FAMILY PRIVACY ACT

The Family Rights and Privacy Act of 1974 (FERPA) gives students certain rights regarding their records:

1. To inspect eligible records in their files;
2. To petition to change their records upon proof of error;
3. To have their records remain private except for the following circumstances:
 - a. Parents of dependent students will be allowed to see the student's academic records once appropriate

documentation has been provided to demonstrate the student's dependent status;

- b. Institutional officers may access student records on a "need to know" basis;
- c. Students may authorize release of any part of the eligible record;
- d. Approved researchers may access student records provided the data secured is not to be released in any identifiable way with specific students; and

e. The following information has been designated as directory information and is subject to release to the public: Students' names, addresses, telephone listings, dates and places of birth, major field of study, classifications, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees, various honors and awards received and most recent, previous educational agency or institution attended by students; and

f. Government authorities providing aid or service to the students; and

g. Other educational institutions to which students have applied for admission. Academic disciplinary measures (probation, suspension, dismissal and similar matters) will be released to other institutions;

h. Government authorities operating under the Solomon Act.

i. When the student has completed a release of

information form allowing another individual to obtain information concerning his/her records;

4. To withhold any directory information by completing the proper form. Requests for withholding directory information must be obtained and filed at the Office of Admissions and Records for each enrollment period (fall, spring, interim, summer), within the first two weeks of the fall or spring semesters and the first week of an interim or summer session;

5. ENMU does not release records of other institutions: transcripts, test scores, etc.;

6. For the purpose of interpreting FERPA regulations, ENMU-Roswell defines "student" as any person who has been fully accepted to the University, has registered for classes and has made a payment commitment for that registration.

Other information regarding disclosure of student data is posted at the Office of Admissions and Records in compliance with the Act.

STUDENT COMPLAINTS

STUDENT COMPLAINTS DEFINED

Complaints are written expression of dissatisfaction or formal allegations against the university, its units, its employees (including faculty and staff), and its students.

A student complaint is any concern with a person, policy, or service for which a student requests clarification, investigation, and resolution.

Informal verbal complaints are resolved at the decision-making level that is closest to the concern expressed, or with the immediate supervisor in the unit. Such complaints are not tracked unless required by specific policy of law.

Formal, written complaints contain information that identifies the student and describes the concern. This type of complaint and its resolution are tracked.

Some processes, such as Grade Review, Financial Aid Appeals, and other formal processes, have their own policies and are not included under the category of formal, written complaints.

However, a complaint may be submitted in the event that a student believes that a given policy or process has not been followed.

Eastern New Mexico University – Roswell is committed to providing a transparent and effective mechanism for communicating and resolving student complaints, in accordance with university policy [70.1], the U.S. Department of Education, and the Higher Learning Commission of the North Central Association.

Feedback about student concerns is a valid source of information that is used to help the University improve the quality of its services.

Types of Complaints excluded from this reporting procedure: Student Complaints concerning sexual harassment and sexual misconduct are excluded from this Student complaint reporting procedure. Instead, student complaints concerning sexual harassment and sexual misconduct must be reported to the Title IX officer.

SUBMITTING A COMPLAINT

Problems can be solved in two ways:

- Direct, informal discussion
- Using the formal student complaint form

Start by attempting to-resolve a problem where it began.

We always encourage you to start by trying to solve the problem yourself by speaking directly with the person who has the ability to address the problem.

If you do not feel comfortable talking to that specific person, you could take your concerns to their immediate supervisor or request that they be present at your meeting with the party involved.

While you may be tempted to “start at the top,” it is almost always more effective to attempt to resolve the matter first with the person concerned through quick, direct, informal communication.

This also preserves your right to use the appeal process if you are not satisfied with the initial decision.

If your attempt to resolve a matter directly is unsuccessful and you still wish to make a complaint, the outcome of your initial conversation(s) should be included when you use the student complaint form.

Some problems, particularly if they arise concerning matters that have specific appeals procedures of their own, will not be brought into this complaints system unless your concern is about the institution’s failure to follow the outlined process.

Check appropriate handbooks, catalogs, and published policies to determine if there is a specific policy or process for resolving this type of concern.

HOW TO SUBMIT A COMPLAINT

The student complain form is an electronic form in the Self-Service Banner system. You can access the form by logging into the CosmoLink and navigating to the Self-Service Banner system. Within the system, there is a link to the Student Complain Form.

The form is pre-filled with your contact information, but you will

be asked to confirm to ensure you can be contacted for more information about your complaint.

Please provide as much information about the situation as possible to ensure all the details are included in the investigation and resolution.

WHAT HAPPENS WHEN YOU SUBMIT A COMPLAINT

When you fill out a student complaint form, it will NOT be anonymous. Therefore, identifying information will be included, but will be protected from improper disclosure as outlined by the Family Educational Rights and Privacy Act (FERPA).

Specific information will be used as necessary to assist in resolving the problem. Receipt of your electronic complaint will be acknowledged, and your concern will be forwarded to the

appropriate office for review.

You may be contacted for more details as part of the resolution process. If the issue is not complex, it will be resolved as quickly as possible, but some concerns may require further investigation. The final authority for dealing on a solution is the Vice President for the area in question.

YOUR SAFETY

If anything related to your concern causes you to feel worried about your safety, you should immediately contact Campus

Security at 624-7180 or the local police station.

WHAT IF I CHANGE MY MIND?

You can withdraw your complaint at any time by replying to any of the emails you have received from us.

Your complaint will be considered withdrawn and no further action will be taken.

WHAT CAN I DO IF I AM STILL NOT SATISFIED?

If, after exhausting all available institutional processes, a student's complaint remains unresolved, the following link contains contact information for higher education authorities:

<https://www.ed.gov/about/contacts/state/index.html?src=contact-us>

The New Mexico Higher Education Department (NMHED) also has a complaint process students may follow after all University appeals have been completed.

CLUBS & ORGANIZATIONS

CLUBS & ORGANIZATIONS

Any ENMU-Roswell student group officially recognized by the University is declared to be a student organization and is subject to the Clubs, Organizations, and Advisor Handbook. Initial recognition of a student organization constitutes approval of its proposed program and purposes (constitution). Recognition is a charter to exist and continued recognition may be withdrawn or suspended by the Vice President for Student Affairs. Recognition by ENMU-Roswell gives a student organization/club the right to use the name of ENMU-Roswell and in turn implies the responsibility of the organization to use the name wisely. Recognized organizations may use facilities according to established policies.

Each organization needs to apply for recognition through the College Development Office. The organization will be asked to complete and turn in a copy of its proposed constitution, by-laws and an organizational application form, all provided on the ENMU-Roswell Website. Its purposes shall be compatible with the philosophy and educational objectives of ENMU-Roswell. It shall agree to submit to Student Services an annual organization application form. Any changes in the constitution of a student

organization must be reviewed and approved by the Student Organizational Review Committee (an ad hoc committee formed to review student issues) before they become effective.

Student clubs and organizations are encouraged to participate in activities sponsored by Student Services.

The application form and handbook can be accessed via the ENMU-Roswell web site. Please submit forms at the Student Services building. For more information, contact (575)624-7012 or (575)624-7379.

A current list of active student organizations is published on the University website.

ENMU-Roswell encourages students with interests not represented in this list to work with Student Affairs in establishing additional associations. For more information on ENMU-Roswell student organizations, you can call (575) 624-7012 or (575) 624-7379.
