3. Review/revision of Vision and Mission Statements (**drafts to be edited further**)

Current statements:

Vision ENMU-Roswell

Eastern New Mexico University-Roswell is the region's first and best choice for learning.

Mission ENMU-Roswell

Preparing a diverse community with the skills and education for success

Purpose ENMU-Roswell

- i. *Provide opportunities for completion of Certificate and Associate awards that lead to advanced degrees and employment.*
- ii. *Prepare individuals for opportunities in higher learning through programs such as Adult Education, secondary enrollment, and outreach services.*
- iii. *Offer personal enrichment and career development opportunities through traditional course work, community education, and customized training.*

- iv. *Foster direct community and economic development through business and workforce development, partnerships for health and social service outreach, in-plant training, and ever increasing business and community partnerships.*

Core Values ENMU-Roswell

We aspire to be recognized in our community as a caring institution, committed to high standards in all our educational programs and services. As a publicly-supported community college, we strive to provide opportunities for the educational development of our students and a fulfilling work environment for our employees. When students enroll in the college and when employees are hired, they are expected to commit themselves to these institutional values.

Vision ENMU-Portales

Eastern New Mexico University emphasizes liberal arts education, freedom of inquiry, cultural diversity and whole student life. Excellent teaching and active learning define campus relationships. Scholarship, both primary and applied, cultural enrichment, and professional service are also important contributions of the University community.

The Eastern community envisions a university where every faculty and staff member instills in one another and in students a sense of social and cultural awareness and responsibility. The University accomplishes this by embracing and fostering diversity and inclusion among students, faculty and staff. The University engages well-qualified and caring faculty and staff who treat one another with respect and work together to accomplish institutional goals and mentor students.

Mission ENMU-Portales

Eastern New Mexico University combines an engaging learning environment with current technology to provide a rich educational experience. ENMU focuses on:

- Preparing students for careers and advanced study.*
- Promoting citizenship and leadership skills and values.*
- Supporting excellence in teaching and research.*
- Empowering students to respond to a rapidly changing world.*

NOTE: Discussions were held about melding the mission and vision statements or whether they need to remain separate. The consensus was to keep them separate. The vision serving as the over-arching goal of the institution. The purpose will be incorporated into the mission vision statements with the core values remaining separate.

The committee broke into two groups to develop draft versions of the revised vision and mission statements for our campus.

Vision Statement DRAFT 1

ENMU-Roswell bridges educational opportunities for professional and personal growth through student success.

Vision Statement DRAFT 2

ENMU-Roswell—a bridge/source for personal and professional enrichment with structured educational growth and student success.

Mission Statement DRAFT

ENMU-Roswell empowers a diverse community with academic and technical skills for success.

- *Providing high quality accessible educational opportunities*
- *Supporting students by reducing barriers to higher education*
- *Preparing students equitably to be citizens in a rapidly changing world*
- *Collaborating with business and industry to meet student and community needs*
- *Interacting within the ENMU System to promote student success*

4. Open Discussion for future planning

5. Summary

The committee will meet next on Tuesday, December 4, 2018 to review the draft vision and mission statements and feedback from the November 29th Joint Advisory Boards meeting.
