Advisor's Notes/Recommendations:

- The A.S. Degree in Nursing transfers into a Bachelor of Science in Nursing (BSN) Degree program at ENMU.
- In order to improve student success probability and reduce unnecessary attrition, all students must take the University Skills Placement Test prior to entering the program.
- All lectures and corresponding labs must be taken simultaneously.
- Student must have an **ENMU Campus System** cumulative grade point average of 2.0 in order to meet graduation requirements.
- Submit a Graduation Application before the close of the semester preceding the expected completion date.

Program Requirements:

- Developmental courses must be completed prior to enrolling in the classes.
- All applicants must achieve a **minimum of 40%** on the reading comprehension portion of the TEAS (Test of Essential Academic skills) prior to being accepted into the Nursing Program. Applicants are allowed two attempts to achieve the score per entry cycle.
- **MANDATORY DRUG SCREENING** is required during the first week of the program and will be scheduled by the Division of Health faculty. **Students must pass the mandatory drug screening to remain in the program.** Students exhibiting signs of impaired clinical judgment related to suspected use of chemical substance, legal or otherwise, will be removed from the classroom, laboratory, or clinical setting immediately. Appeals can be made according to the process outlined in the Student Handbook.
- **MANDATORY** background checks are required for all students accepted for entry into nursing courses. The background checks will be scheduled prior to the beginning of the first semester of enrollment in the Nursing Program.
- A grade of "C" or better in each nursing course.
- A failed or attempted nursing course must be repeated during the next semester the course is offered and space available.
