Advisor's Notes/Recommendations:

- Student must have an **ENMU Campus System** cumulative grade point average of 2.0 in order to meet graduation requirements.
- Submit a Graduation Application before the close of the semester preceding the expected completion date.

Program Requirements:

- Completion of College Admission Requirements.
- Notarized New Mexico State EMT License (Prior to enrolling in EMS 176L).
- Completion of Health guidelines of clinical agencies.
- Possession and maintenance of AHA BLS Healthcare Provider certification for the duration of the program.
- BIOL 109 and EMS 203 may be taken as corequisites, however it is strongly suggested that the courses be completed prior to beginning the AEMT core courses.
- **MANDATORY DRUG SCREENING** is required during the first week of the program and will be scheduled by the Division of Health faculty. Students must pass the mandatory drug screening to remain in the program. Students exhibiting signs of impaired clinical judgment related to suspected use of chemical substance, legal or otherwise, will be removed from the classroom, laboratory, or clinical setting immediately. Appeals can be made according to the process outlined in the Student Handbook.
- **All students must complete a background check using the agency specified by the Division of Health.** Any student convicted of a misdemeanor with 36 months and/or felony within 7 years prior to the beginning of the semester is encouraged to visit with the Director of Clinical Education or EMS Program Director prior to applying.
